Scott Patton	Aye:	<u>X</u>	No:	_____	Absent:	_____	Abstain:	_____
Jim Bingham	Aye:	<u>X</u>	No:	_____	Absent:	_____	Abstain:	_____

5. REPORTS:

**5.1 SUPERINTENDENT
REPORT:**

Superintendent, Jared Caylor shared the following:

Enrollment:

CUHS	972
Centennial	62
ISP	62
District Total	1096

The district is holding strong and at the Governor's revise, it was announced that districts would be able to use the attendance from 20-21 and select the highest enrollment for the past 3 years.

Superintendent, Jared Caylor is in the process of working on a climate survey for staff. Some information is as follows:

1. Student Issues
2. Supervision
3. Communication
4. Safety
5. Culture

Superintendent, Jared Caylor is currently participating in job shadows with the Classified Union Staff. Over the next 6 months he plans to spend 4 hours at a time with staff from different departments. Superintendent, Jared Caylor is also working with the Job Training Center in Red Bluff with CTE efforts. Currently it is Shasta County, Red Bluff High and Private Industry participating in this joint effort to help parents and students better understand CTE.

**5.2 STUDENT
BOARD
MEMBER REPORT:**

This item was removed from the agenda.

**5.3 TRANSPORTATION
REPORT:**

Director of Transportation, Ken Husband shared the following information:

Thanked the Governing Board for their ongoing support. He started the year with 3 drivers and 4 subs and the elementary school district had 2 employees retire and 1 who is out on medical leave. Ken Husband is driving full time, Rueben Bogarin (mechanic) is driving and an Elementary employee is also driving. In December and driver resign and the district is still currently trying to fill that position.

The district had applied for a bus grant and it was in full service July 2021. The district put in for another electric bus (1 for the high school and 1 for the elementary school district). The Bus Grant has possibility for infrastructure as well. The bus batteries are high voltage and PGE will pay the district for use at peak times and these can even be used as back up generators. The replacement cost for a battery was 100K.

**5.4 ACADEMIC
REPORT-
MATH
DEPT.
CHAIR:**

Math Department Chair, Kelley Jardin reported on the following:

Kelley Jardin and Gary Pope earned their Masters Degree Covid happened and the department is trying to implement new strategies

Bill Vader is retiring at the end of the school year

The District recently hired Neikka Peterson (Kelley's former student Teacher).

The department is always collaborating

Articulation ended with the Curtis Center

The department has ongoing goals to with the Elementary District

Things are going well and the department is doing their best.

**5.5 FRIDAY NIGHT
LIVE:**

Three Corning Union High School students reported on the following:

1. Peers answered a survey on flavored tobacco
2. Peers stated that the flavored tobacco smells better
3. E Cigarettes mimic the feel of a regular cigarette
4. Vape offer flavors
5. There is so much nicotine in puff pods, pens and sorin
6. There are currently over 15,000 tobacco flavored products
7. Youth are being targeted
8. 43% of the peers surveyed shared that the tried them due to appealing flavors (they look like candy)
9. SB793 passed but went through referendum process.
10. This is now going to be on the ballot in November 8, 2022.

**6. PUBLIC
COMMENT
ON CLOSED
SESSION
ITEMS
NOT ON THE
AGENDA:**

There was none.

**7. ADJOURN TO
CLOSED SESSION:**

The Board adjourned to closed session at 6:17 p.m.

CONSULTING SERVICES AGREEMENT

This Agreement is entered into effective the 28th day of March, 2022 by and between Total Compensation Systems, Inc. ("Consultant"), a California corporation with principal offices located at 5655 Lindero Canyon Road, Suite 223, Westlake Village, California, 91362 and Corning Union High School District ("Customer").

The following shall govern the provision of consulting services by Consultant to Customer.

1. Consulting Services. Consultant shall provide the consulting services described on Schedule 1 attached hereto.
2. Compensation to Consultant. Customer shall pay Consultant for the consulting services described on Schedule 1 attached hereto the compensation set forth on Schedule 2 attached hereto.
3. Term and Termination. (a) Term. This Agreement shall commence on the date first written above and shall continue in effect until December 31, 2023, or until all consulting services described on Schedule 1 have been performed, whichever occurs first, unless sooner terminated in accordance with the provisions of this Agreement. (b) Termination Without Cause. This agreement may be terminated at any time by either party upon sixty (60) days prior written notice to the other party. (c) Termination With Cause. Either party shall have the right to terminate this Agreement upon the failure of either party to observe any of the covenants and agreements required to be observed by it under this Agreement, and such failure continues for a period of thirty (30) days after written notice thereof. (d) Rights and Obligations after Termination. Termination of this agreement shall not relieve either party of any rights or obligations arising out of the Agreement prior to termination, with the exception that the amount of the final payment that shall be made by Customer shall be based solely upon the percentage of work that was completed by Consultant.
4. Customer Will Provide Information. Customer shall provide Consultant with the information necessary for Consultant to provide the consulting services described on Schedule 1 attached hereto.
5. Authorization to Acquire Information. Customer hereby authorizes Consultant to acquire the necessary information reasonably required by Consultant to provide the consulting services described on Schedule 1 attached hereto from any agency, agencies, source or sources.
6. Customer's Right to Provide Information. Customer represents and warrants to Consultant that it has the right to provide the information that will be given by Customer to Consultant, or which will be acquired by Consultant pursuant to paragraphs 4 and 5 above.
7. Limitation on Services. Customer understands that Customer retains sole authority and responsibility for the operation and design of all Customer's employee benefit plans.
8. Ownership of Systems and Materials. All systems, programs, operating instructions, forms and other documentation prepared by or for Consultant shall be and remain the property of Consultant. All data source documents provided by Customer shall remain the property of Customer.
9. Indemnification. (a) By Customer. Customer hereby agrees to defend and indemnify Consultant and hold Consultant harmless against any claims, injury, costs or damages (including actual attorneys' fees incurred) resulting from Customer's gross negligence or willful misconduct. (b) By Consultant. Consultant hereby agrees to defend and indemnify Customer and hold Customer harmless against any claims, injury, costs or damages (including actual attorneys' fees incurred) resulting from Consultant's gross negligence or willful misconduct.

10. General.

- a. Relationship of the Parties. The relationship between Consultant and Customer established by this Agreement is that of independent contractors. Consultant and Customer shall each conduct its respective business at its own initiative, responsibility, and expense, and shall have no authority to incur any obligations on behalf of the other.
- b. Force Majeure. No party shall have liability for damages or non-performance under this Agreement due to fire, explosion, strikes or labor disputes, water, acts of God, war, civil disturbances, acts of civil or military authorities or the public enemy, transportation, facilities, labor, fuel or energy shortages, or other causes beyond that party's control.
- c. Entire Agreement. This Agreement and the Schedules attached hereto contain the entire agreement between the parties and supersedes all previous agreements and proposals, oral or written, and all negotiations, conversations, or discussions between the parties related to the subject matter of this Agreement. This Agreement shall not be deemed or construed to be modified, amended, rescinded, canceled or waived in whole or in part, except by written amendment signed by both of the parties hereto.

11. Confidentiality. Consultant recognizes that its work will bring it into close contact with confidential information of Customer, including personal information about employees of Customer. Consultant agrees not to disclose anything that is the confidential information of Customer, or that is proprietary to Customer, including its software, its legacy applications, and its databases, to any third party.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be executed as set forth below.

"CONSULTANT"

By: _____ Jared Caylor

Title: _____ Superintendent

Date: _____ 5/20/22

SCHEDULE 1

For the purposes of this Agreement, "consulting services" shall include the following services provided by Consultant to Customer:

Consulting reports including all actuarial information necessary for Customer to comply with the requirements of current GASB accounting standards 74/75 related to retiree health benefits for two years, including one full valuation and one "roll-forward" valuation. Study results can be split by up to five employee classes. Consultant will provide as many copies of the final reports as Customer shall reasonably request.

Services do not include Consultant's in-person attendance at any meetings. Services also do not include a separate funding valuation unless requested by Customer.

SCHEDULE 2

Customer shall pay Consultant for the retiree health valuation report based on the full valuation a total of \$3,200. One-half, or \$1,600 shall be due within 30 days of the commencement of work by Consultant. One-half, or \$1,600 shall be due within 30 days of the delivery by Consultant to Customer of the draft consulting report for the full valuation (or within 30 days of contract termination, if earlier). Customer shall also pay Consultant for the retiree valuation report based on the "roll-forward" valuation a total of \$1,600 within 30 days of the delivery by Consultant to Customer of the draft consulting report for the "roll-forward" valuation (or within 30 days of contract termination, if earlier)

If Consultant receives a non-refundable deposit from Customer of \$1,440 by May 31, 2022, all amounts shown above shall be reduced by 10%.

Services Agreement

This Agreement, for the provision of services is entered into this 16th day of June 2022 [MONTH, YEAR], by and between the SAN DIEGO COUNTY SUPERINTENDENT OF SCHOOLS (hereinafter referred to as "SDCOE") and Corning Union H [INSERT CONTRACTOR LEGAL ENTITY NAME] (hereinafter referred to as "Contractor") who agrees to provide the following services to the SDCOE:

1. Scope of Services.

Contractor shall provide services as described in Exhibit "A" entitled "Special Provisions" attached hereto and made a part hereof.

In the event of a conflict in or inconsistency between the terms of this agreement and Exhibit A, the Agreement shall prevail. Unless specifically stated otherwise, the order of precedence for the purpose of determining any conflict or inconsistency between the terms of this agreement and any other documents shall be as follows 1) Any amendment to this agreement, 2) this agreement, 3) Exhibit(s) to this agreement, 4) Other associated documents named in the agreement.

2. Term of Agreement.

This Agreement shall be effective from the period commencing [July 1, 2022] and ending [June 30, 2025], unless sooner terminated by SDCOE as provided in the section of this Agreement entitled "Termination." Upon expiration or termination of this Agreement, Contractor shall return to SDCOE any and all equipment, documents or materials and all copies made thereof which Contractor received from SDCOE or produced for SDCOE for the purposes of this Agreement.

3. Termination.

This Agreement may be terminated with or without cause by SDCOE. Termination without cause shall be effective only upon thirty (30) days' written notice to Contractor. During said thirty-day period shall perform all consulting services in accordance with this Agreement.

This Agreement may also be terminated by either party for cause in the event of a material breach of this Agreement, misrepresentation in connection with the formation of this Agreement or the performance of services, or the failure to perform services. Termination for cause shall be effected by delivery of written notice by the non-breaching party. It is understood and agreed the termination may be delivered via email and shall be effective on the date sent.

4. Compensation and Reimbursement.

Contractor will compensate SDCOE at the rates found in Exhibit A.

5. Confidential Relationship.

SDCOE may from time to time communicate to Contractor certain information to enable Contractor to effectively perform the services. Contractor shall treat all such information as confidential, whether or not so identified, and shall not disclose any part thereof without the prior written consent of the SDCOE. Contractor shall limit the use and circulation of such information, even within its own organization, to the extent necessary to perform the services. The foregoing obligation of this Paragraph 5, however, shall not apply to any part of the information that (i) has been disclosed in publicly available sources of information; (ii) is, through no fault of Contractor, hereafter disclosed in publicly available sources of information; (iii) is now in the possession of Contractor without any obligation of confidentiality; (iv) is required to be disclosed by operation of law; or (v) has been or is hereafter rightfully disclosed to

Contractor by a third party, but only to the extent that the use or disclosure thereof has been or is rightfully authorized by that third party.

Contractor shall not disclose any reports, recommendations, conclusions or other results of the services or the existence of the subject matter of this Agreement without the prior written consent of the SDCOE. In its performance hereunder, Contractor shall comply with all legal obligations it may now or hereafter have respecting the information or other property of any other person, firm or corporation.

6. Public Records Act.

Contractor acknowledges that the SDCOE is a public agency subject to the requirements of the California Public Records Act Cal. Gov. Code section 6250 et seq. The SDCOE acknowledges that Contractor may submit information that Contractor considers confidential, proprietary, or trade secret information pursuant the Uniform Trade Secrets Act (Cal. Civ. Code section 3426 et seq.), or otherwise protected from disclosure pursuant to an exemption to the California Public Records Act (Government Code sections 6254 and 6255). Contractor acknowledges that the SDCOE may submit to Contractor information that the SDCOE considers confidential or proprietary or protected from disclosure pursuant to exemptions to the California Public Records Act (Government Code sections 6254 and 6255). Upon request or demand of any third person or entity not a party to this Agreement ("Requestor") for production, inspection and/or copying of information designated by a Disclosing Party as Confidential Information, the Receiving Party as soon practical but within three (3) days of receipt of the request, shall notify the Disclosing Party that such request has been made, by telephone call, letter sent via facsimile and/or by US Mail to the address and facsimile number listed at the end of the Agreement. The Disclosing Party shall be solely responsible for taking whatever legal steps are necessary to protect information deemed by it to be Confidential Information and to prevent release of information to the Requestor by the Receiving Party. If the Disclosing Party takes no such action, after receiving the foregoing notice from the Receiving Party, the Receiving Party shall be permitted to comply with the Requestor's demand and is not required to defend against it.

7. Ownership of Documents.

All memoranda, reports, plans, specifications, maps and other documents prepared or obtained under the terms of this Agreement by or for SDCOE shall be the property of SDCOE and shall be delivered to SDCOE by Contractor upon demand.

Services provided to the SDCOE, and all participating schools therein, and all related materials including, but not limited to; audio; video; images; Contractor's name, slogans, quotes, writings; posters; and any other related materials which are exclusively owned by the Contractor will remain the exclusive property of the Contractor.

8. Fund Availability

Funding of this Agreement, if funded by the SDCOE, is contingent upon appropriation and availability of funds. Work performed in advance of Agreement approval shall be done at the sole risk of Contractor. In the event the funds are not available by operation of law or budget determination, SDCOE shall have the exclusive right to withhold funding.

9. Data Privacy and Protection

All SDCOE content/data (to include but not limited to: students, teachers, interns, aides, Principals, and other administrative personnel) involved in this agreement shall continue to be the property of and under the control of the SDCOE.

All content/data created by the SDCOE or by its students or personnel using the service(s) provided by Contractor pursuant to this Agreement will cease to be retained by the Contractor at the conclusion of this Agreement and will, in fact, be removed from the Contractor's records.

The Contractor will not use any information in a student or personnel record for any purposes other than those required or specifically permitted by this Agreement. Any other use of the SDCOE's student and personnel information will not be undertaken without the express, written consent of the SDCOE.

The Contractor certifies it uses and adheres to the following methods to ensure the privacy and security of all electronically stored information:

- transmission of student and personnel information is always via secure protocols (SFTP, SSL and/or encryption)
- no data transmission occurs via email
- student and personnel data are stored in an encrypted form and programmatic access to that data is done using secure coding standards without visible account or password information
- all server systems including data storage are maintained in a locked, secure, environmentally controlled facility
- all server systems have been hardened with industry standard recommended measures for security protection

The Contractor will notify the SDCOE within 24 hours of the Contractor discovering an unauthorized access or disclosure of SDCOE data.

The Contractor and the SDCOE will work together to ensure compliance with FERPA regulations as applicable.

10. No Assignments.

Neither any part nor all of this Agreement may be assigned or subcontracted, except as otherwise specifically provided herein, or to which SDCOE, in its sole discretion, consents to in advance thereof in writing. Any assignment or subcontracting in violation of this provision shall be void.

11. Audit.

Contractor agrees to maintain and preserve, until three (3) years after termination of the Agreement with the SDCOE and to permit the State of California or any of its duly authorized representatives, to have access to and to examine and audit any pertinent books, documents, papers, and records related to this Agreement.

12. Independent Contractor.

It is expressly understood that at all times, while rendering the services described herein, and in complying with any terms and conditions of this Agreement, Contractor is acting as an independent contractor and not as an officer, agent, or employee of the SDCOE. Except as SDCOE may specify in writing, Contractor shall have no authority express or implied, to act on behalf of SDCOE in any capacity whatsoever as an agent. Contractor shall have no authority, express or implied, to bind SDCOE to any obligation whatsoever.

13. Licenses, Permits, Etc.

Contractor represents and declares to SDCOE that it has all licenses, permits, qualifications, and approvals of whatever nature that is legally required to practice its profession. Contractor represents and warrants to SDCOE that Contractor shall, at its sole cost and expense, keep in effect at all times during the term of this Agreement, any license, permit, or approval which is legally required for Contractor to practice its profession.

14. NOT USED

15. NOT USED

16. Tuberculosis Clearance.

Contractor shall certify in writing that Contractor's employees, volunteers, and subcontractors receive clearance for TB. In such cases where Contractor does not have in-person contact with students, contractor shall not be required to obtain TB clearance.

17. NOT USED

18. Indemnification.

To the fullest extent allowable by law, Contractor agrees to hold harmless, defend, and to indemnify the SDCOE, accept any and all responsibility for loss or damage to any person or entity, including SDCOE, and to indemnify, hold harmless, and release SDCOE, its officers, agents, and employees, from and against any actions, claims, damages, liabilities, disabilities, or expenses, that may be asserted by any person or entity, including Contractor, that arise out of, pertain to, or relate to Contractor's or its agents', employees', contractors', subcontractors', or invitees' performance or obligations under this Agreement. Contractor agrees to provide a complete defense for any claim or action brought against SDCOE based upon a claim relating to such Contractor's or its agents', employees', contractors', subcontractors', or invitees' performance or obligations under this Agreement. Contractor's obligations under this Section apply whether or not there is concurrent negligence on SDCOE's part, but to the extent required by law, excluding liability due to SDCOE's conduct. SDCOE shall have the right to select its legal counsel at Contractor's expense, subject to Contractor's approval, which shall not be unreasonably withheld. This indemnification obligation is not limited in any way by any limitation on the amount or type of damages or compensation payable to or for Contractor or its agents under workers' compensation acts, disability benefits acts, or other employee benefit acts.

19. Tobacco-Free Facility.

The SDCOE is a tobacco-free facility. Tobacco use (smoked or smokeless) is prohibited at all times on all areas of or within SDCOE property.

20. Notices.

All notices, legal or otherwise, shall be provided as follows:

SDCOE: Sheiveh Jones, Executive Director

6401 Linda Vista Rd
San Diego, CA 92111
858-295-8806
snjones@sdcoe.net

With copy to: Chief Business Officer and
SDCOE Legal Services
6401 Linda Vista Rd
San Diego, CA 92111

Contractor: Jared Caylor, District Superintendent Name, Title
643 Blackburn Avenue Address
Corning CA, 96021 City, State, Zip Code
- - 530 824-80 Phone number
jaylor@corninghs.org Email

21. Amendment.

No oral or other agreements or understandings shall be effective to modify or alter the written terms of this Agreement. This Agreement may be amended or modified only by a written instrument signed by the SDCOE and by a duly authorized representative of the Contractor.

22. Governing Law/Venue.

In the event of litigation, the Agreement and related matters shall be governed by and construed in accordance with the laws of the State of California. Venue shall be with the appropriate state or federal court located in San Diego County.

23. Mediation.

In the event of any dispute, claim, question, or agreement or disagreement arising from or relating to this Agreement or breach thereof, the parties hereto shall use their best efforts to settle the dispute, claim, question, or disagreement. To this effect, they shall consult and negotiate with each other in good faith, recognize their mutual interests, and attempt to reach a just and equitable solution satisfactory to both parties. If the parties are unable to resolve the issue(s) within a period of thirty (30) days, then upon notice of either party to the other, all disputes, claims, questions, or disagreements shall be resolved through mediation. The parties will select a mediator by their mutual agreement, within 30 days. If there can be no such agreement, each party will submit a list of five mediator choices to the other, rank ordered by preference. The mediator will then be selected based on a further discussion, unless an individual is on both lists and then that person would have preference. Each party shall bear its own costs, including without limitation one half of the cost of the fees and costs of mediation.

24. Compliance with Law.

The Contractor shall be subject to, and shall comply with, all federal, state, and local laws and regulations applicable to its performance under this Agreement including, but not limited to: licensing, employment, purchasing practices, wages, hours, and conditions of employment, including non-discrimination COVID requirements as stated in Exhibit B to this agreement.

To the extent that this Agreement may be funded by fiscal assistance from another governmental entity, Contractor and any subcontractor(s) shall comply with all applicable rules and regulations to which SDCOE is bound by the terms of such fiscal assistance program.

25. Debarment, Suspension or Ineligibility Clause.

By signing this Agreement, the Contractor certifies that the Contractor, and any of its principles and/or subcontractors:

- i. Are not presently debarred, suspended, proposed for debarment, or declared ineligible for the award of contracts by any federal agency, and;
- ii. Have not, within a three-year period preceding this Agreement, been convicted of or had a civil judgment rendered against them for: commission of fraud or a criminal offense in connection with containing, attempting to obtain, or performing a public (federal, state or local) transaction or contract under a public transaction; violation of federal or state antitrust statutes or commission of embezzlement, theft, forgery, bribery falsification or destruction of records, making false statements, or receiving stolen property. Contractor certifies that no employee, officer, agent, or subcontractor who may come in contact with students in performance of this Agreement, has been convicted of a serious or violent felony.

26. Authorization to Perform Services.

Contractor is not authorized to perform services or incur costs under this agreement until executed by both the Contractor and approved by signature of the SDCOE Superintendent of Schools or his designee, the Deputy Superintendent, Chief Business Officer.

27. Employment with Public Agency and Retirees.

Contractor, if an employee of another public agency, agrees that Contractor will not receive salary or remuneration, other than vacation pay, as an employee of another public agency for the actual time in which services are being performed pursuant to this Agreement. Retirees should seek guidance from their respective retirement system to avoid a loss of retirement benefits.

In the event that Contractor or any employee, agent, or subcontractor of Contractor providing services under this Agreement is determined by a court of competent jurisdiction, the California Public Employees Retirement System (PERS) or the State Teachers Retirement System (STRS) to be eligible for enrolment as an employee of SDCOE, Contractor shall indemnify, defend, and hold harmless SDCOE for the payment of any employee and/or employer contributions for such retirement benefits on behalf of Contractor or its employees, agents, or subcontractors, as well as payment for any penalties and interest on such contributions, which would otherwise be the responsibility of SDCOE.

28. Conflict of Interests.

Contractor may serve other clients, but none whose activities or whose business, regardless of location, would place the Contractor in a "conflict of interest" as the term is defined in the Political Reform Act, codified at California Government Code Section 81000 et seq. Contractor shall not employ any SDCOE official in the work performed pursuant to this Agreement. No officer or employee of SDCOE shall have any financial interest in this Agreement that would violate California Government Code Sections 1029 et seq. Contractor warrants that it is not now, nor has it been in the previous twelve (12) months, an employee, agent, appointee, or official of SDCOE. Contractor understands that if this Agreement is or was made in violation of Government Code 1090 et seq. the entire Agreement is void and Contractor will not be entitled to any reimbursement of expenses, and Contractor will be required to reimburse SDCOE for any sums paid to the Contractor. Contractor understands that, in addition to the foregoing, it may be subject to criminal prosecution for a violation of Government Code 1090 and, if applicable, will be disqualified from holding public office in the State of California.

29. Counterparts.

This Agreement (and any amendments) may be executed in multiple counterparts, each of which shall be deemed an original, but all of which, together, shall constitute one and the same instrument. Documents delivered electronically shall be valid and binding.

30. Severability.

If a court of competent jurisdiction finds or rules that any provision of this Agreement is invalid, void, or unenforceable, the provisions of this Agreement not so adjudged shall remain in full force and effect. The invalidity in whole or in part of any provision of this Agreement shall not void or affect the validity of any other provision of this Agreement.

31. Entire Agreement.

This Agreement represents the entire Agreement and understandings of the parties hereto and no prior writings, conversations or representations of any nature shall be deemed to vary the provisions hereof. This Agreement may not be amended in any way except by a writing duly executed by both parties hereto.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be duly executed, such parties acting by their representatives being thereunto duly authorized.

EXHIBIT A SPECIAL PROVISIONS

A. Scope of Services.

1. **PURPOSE & SCOPE.** SDCOE will provide teacher induction support to DISTRICT preliminary and level 1 credential holders. The purpose of the proposed partnership is to provide a Commission-approved program that will allow preliminary and level 1 credential holders to meet the renewal requirements listed on the California preliminary and level 1 credential.

A. DISTRICT RESPONSIBILITIES UNDER THIS MOU:

1. Identify teacher candidates according to program eligibility criteria. Notify the program of new teacher candidates eligible for induction by October 1 of each participating school year.
2. Follow SDCOE approved mentor selection and mentor-candidate pairing process understanding that the best pairing is by school/grade level/content and must take place within 30 days of enrollment.
3. Provide release time for mentors, according to district needs, to observe teacher candidates as required by program completion requirements. Observations can be in person or virtual.
4. Provide release time for teacher candidates, according to district needs, to complete the peer observation as required by program completion requirements. Observations can be in person or virtual.
5. Understand that the Teacher Candidates Individual Learning Plans (ILP) are designed and implemented solely for the professional growth and development of the Teacher Candidates and not for evaluation for employment purposes.
6. Participate in the evaluation of the SDCOE teacher induction program upon request.
7. Identify a district administrator to attend advisory committee meetings and participate in required accreditation activities.
8. Identify a district lead as the liaison between the district and the SDCOE teacher induction program, if there are six or more teacher candidates enrolled. If the district is unable to provide a district lead, SDCOE will provide a lead to facilitate the Teacher Induction program for the district.
 1. The District Lead will:
 - a. Provide advice and assistance to both mentors and teacher candidates.
 - b. Coordinate mentor/teacher candidate pairing, verify the SDCOE pairing list, and notify SDCOE of any changes.
 - c. Assist teacher candidates and mentors in using the learning management system (LMS) and accessing all assignments.
 - d. Input and monitor grades in LMS for all teacher candidates within the district, charter, private or non-public school. Grades are to be posted within 1 week of the SDCOE due date.
 - e. Plan and facilitate verification meetings throughout the year.

- f. Attend all monthly district lead meetings throughout the year. *If unable to attend, district lead must view recordings.*
- g. Establish district, charter, private or non-public school due dates for all assignments prior to verification meetings.
- h. Communicate with program leadership as questions and needs arise.
- i. Notify program leadership if concerns arise about a teacher candidate or mentor. This concern includes potential non-completion of the program.
- j. Communicate with mentors consistently via e-mails, phone calls, meetings, etc.
- k. Facilitate end-of-year colloquium(s) in April or May.

1. SDCOE RESPONSIBILITIES UNDER THIS AGREEMENT.

- 1. Maintain Commission-approved accreditation status with the Commission on Teacher Credentialing by establishing, maintaining, and submitting accurate records required as part of the accreditation process.
- 2. Provide "Mentor Skill-Building" training for new mentors.
- 3. Maintain and monitor the LMS for mentors and teacher candidates.
- 4. Support district leads to facilitate verification and other meetings for mentors and teacher candidates.
- 5. Recommend only those candidates who successfully complete program requirements for a clear credential.
- 6. Maintain communication with district leads through regularly scheduled district lead meetings.
- 7. Maintain communication with districts through regularly scheduled district lead advisory meetings and newsletters.
- 8. Provide compensation for a district lead position based on supporting 6 or more teacher candidates based on a sliding scale.

1. COMPENSATION. The total Contract cost shall be invoiced to responsible party based on the option selected below:

- ☐ Invoice district \$1000 per teacher candidate per year; district will compensate mentors.
- ☒ Invoice district \$2500 per teacher candidate per year; SDCOE will hire district-selected Mentors as hourly limited-term employees pending completion of SDCOE's employment process and pay up to \$1500 per teacher candidate supported per year. SDCOE hiring process requires in-person submission of the USCIS Form I-9.
- ☐ Invoice teacher \$1000 per year; district will compensate mentors.
- ☐ Invoice teacher \$2500 per year; SDCOE will hire district-selected mentors as hourly limited-term employees pending completion of the employment process and pay up to

\$1500 per teacher candidate support per year. SDCOE hiring process requires in-person submission of the USCIS Form I-9.

DISTRICT agrees to pay SDCOE the amount due for services provided to DISTRICT under the terms of this Agreement within 30 days of receipt of Invoice.

Note: District/teacher will be invoiced the full amount for any drops after November 1 of the current school year.

TERM OF AGREEMENT. The Term of Contract shall begin July 1, 2022 and shall end on June 30, 2025.

EXHIBIT B
COVID-19 Vaccination & Testing Requirements

The San Diego County Office of Education ("SDCOE") is a public agency that has a duty to implement health and safety protocols to address COVID-19 in accordance with all state and local regulations.

As a Contractor/Vendor for SDCOE, you are responsible for ensuring that your agents and employees are complying with applicable state, county and SDCOE guidelines whenever services are performed on all SDCOE operated facilities. Accordingly, SDCOE has implemented a COVID-19 vaccination verification and testing requirements for all vendors and contractors.

1. Contractor/Vendor must comply with and enforce the following requirements effective October 15, 2021:
 - a. All employees, volunteers and/or agents of Contractor/Vendor must provide proof of full vaccination. Such proof of vaccination must indicate that there has been at least 14 days between the last dose and the date of services.
 - b. Any employee, volunteer and/or agent who is not fully vaccinated against COVID-19 must undergo testing and test negative for COVID-19 on a weekly basis. The COVID-19 test must be a PCR or antigen test.
 - c. The Contractor/Vendor shall verify the vaccination status for each of its own workers by manually reviewing a paper or digital copy of the worker's COVID-19 vaccine record card or testing results in accordance with the Vaccine Record Guidelines & Standards from the California Department of Public Health. As a Contractor/Vendor, if you fail to receive the requisite documentation or digital proof of vaccination or testing from your employees, volunteers and/or agents, then such persons shall be considered untested or unvaccinated and ineligible to perform services on SDCOE facilities for any length of time due to non-compliance with the requirements outlined above.
 - d. The Contractor/Vendor shall advise each employee, volunteer and/or agent of the Contractor/Vendor of the SDCOE testing and vaccination policy and the requirement that a face mask must be worn at all times while at an SDCOE operated facility.
2. It is the responsibility of the Contractor/Vendor to ensure there is no interruption of service to SDCOE if the Contractor/Vendor and any employee, volunteer and/or agent of the Contractor/Vendor fails to adhere to the guidelines contained herein.
3. The Contractor/Vendor hereby certifies that all employees, volunteers and/or agents of Contractor/Vendor have been provided with a copy of this policy and warrants that employees, volunteers and/or agents of the Contractor/Vendor who perform services at SDCOE facilities have received proof of vaccination or have acquired proof of a negative Covid-19 test within 72 hours of the commencement of work, and will further comply with the testing requirements as outlined in the State Public Health Office Order of August 11, 2021, or as later amended or enacted.
4. Failure by the Contractor/Vendor to comply with the terms of this Addendum or any applicable county or state health order, may result in termination of the agreement to provide services.
5. This Addendum is hereby incorporated into the Agreement as though fully set forth. No other terms or conditions of the Agreement are changed, and in the event of a conflict the terms of This Exhibit B shall prevail.

Facility Requested: Corning Union High School, shop facilities and classrooms

THIS AGREEMENT ("Agreement") is made by and between the Shasta-Tehama-Trinity Joint Community College District ("District") a community college district organized and existing pursuant to the laws of the State of California ("State"), and **Corning High School District** ("Organization"), organized and existing pursuant to the laws of the State. The District and the Organization may be referred to herein individually as "Party" and collectively as "Parties."

Section 10900 *et seq.* of the State Education Code authorizes and empowers public school districts and other public entities to cooperate and to enter into agreements for purposes of organizing, promoting and conducting joint educational and recreational programs.

The District operates a community college and related Extended Education facilities known as Shasta College for purposes of providing educational and recreational programs.

DATE(S) OF REQUESTED FACILITY USE: Mutually agreed upon by District and Organization

CERTIFICATE OF INSURANCE: District shall provide the Organization with a **Certificate of Insurance**, specifically indicating participant inclusion, and showing that coverage includes comprehensive general liability insurance including bodily injury, property damage, and auto liability of at least \$1,000,000 combined single limit, and providing for 30 days prior written notice by the insurance company of cancellation, intent not to renew, or material change in coverage. District shall also provide an **Additional Insured Endorsement** showing Organization as an additional insured.

INDEMNITY AND HOLD HARMLESS AGREEMENT: Notwithstanding any insurance coverage which may be in effect, and in addition to any additional undertakings referred to herein, District agrees at all times to protect, indemnify and hold the Organization, its Board of Directors, officers, members, representatives, agents, guests, invitees, and/or employees of the Organization free and harmless, and to provide legal defense from any and all liabilities, claims, losses, judgments, damage, demands or expenses resulting from the District's use or occupancy of the Organization's facilities and/or the active or passive negligence of the District or of the Organization, its Board of Directors, officers, members, representatives, agents, guests, invitees, and/or employees, specifically including, without limitation, any liability, claim, loss, judgment, damage, demand, or expense, arising by reason of:

1. The loss of or damage to any of the Organization's facilities including any building, structure or improvement thereon, or any equipment to be used therein; or
2. The injury to or death of any person including, but not limited to, the officers, members, representatives, agents, guests, invitees, and/or employees of the user or of the Organization; or
3. Damage to any property arising from the use, possession, selection, delivery, return, condition or operation of the Organization's facilities.

District further agrees to reimburse the Organization for all liabilities, claims, losses, judgments, damage, demands, expenses, fines, penalties, including reasonable attorneys' fees imposed or incurred by the Organization because of the District's use or occupancy of the Organization's facilities and/or active or passive negligence of the District or of the Organization, its Board of Trustees, officers, members, representatives, agents, guests, invitees, and/or employees.

PROGRAMS: District agrees to provide the program(s) and/or course(s) as determined by student need and agreed upon by the District and Organization. Program(s) and/or course(s) will remain in effect unless enrollment is insufficient to justify the continuance of the program(s) and/or course(s).

FEE SCHEDULE: Organization agrees to the current Fee Reimbursement Schedule (Addendum 1), attached hereto and made a part hereof.

I certify that I am authorized by the District to request/approve use of these facilities and to sign this Memorandum of Agreement for Use of Facilities.

directed and are an effective use of funds, targeting all students including low-income students in meeting the goals in the state priority areas, 2, 4, 7, and 8 through the purchase of classroom supplies.

Goal 2 Action 3 - Monitor and intervene in student attendance - To provide a system of supports that enables students to be academically successful through regular and on-time attendance. These services are principally directed and are an effective use of funds, targeting our low-income and all students in meeting the charter school's goals in the state priority areas, 3 and 5 through Improve student attendance accountability

Goal 2 Action 4 - Academic and behavioral support programs and services - To provide students with behavioral and academic supports that blend with District career and college strategies, activities, and opportunities, Preparing students for continuation of the educational path into college and with accurate and relevant resources when entering into the workforce. These services are principally directed and are an effective use of funds, targeting our low-income and all students in meeting goals in the state priority areas, 2, 4, 7, and 8 through the continuation of successful evidence-based programs, maintaining college and career guidance support to students, and providing supplemental resources, programs, and services to students and families.

Goal 2 Action 5 - Student transportation - To provide students with safe and reliable transportation to and from school and after school activities.

Goal 2 Action 6 - Food Services - To provide nutritious and high quality breakfast, lunch and supper to students.

Goal 2 Action 7 - Attendance for Students with Disabilities - To provide a system of supports that enables students with disabilities to be academically successful through regular and on-time attendance. These services are principally directed and are an effective use of funds, targeting our low-income and all students in meeting the charter school's goals in the state priority areas, 3 and 5 through Improve student attendance accountability

Goal 2 Action 8 - Outside Agency Support - To provide a system of supports for our students in cooperation with outside agencies (governmental, non-profit, educational, law enforcement, business partners, etc) that enables them to be college career ready. These services are principally directed and are an effective use of funds, targeting our low-income and all students in meeting goals in the state priority areas, 2, 4, 7, and 8 through the provision of mental health and other tier 3 services.

Goal 2 Action 9 - Academic support staff and programs - To provide students with appropriate and relevant intervention supports an appropriate staff that meets the needs of students as they progress towards mastery of academic achievement. These services are

principally directed and are an effective use of funds, targeting our low-income, English Learners and all students in meeting goals in the state priority areas, 2, 4, 7, and 8 through the hiring, retaining, and training of support staff in all District programs.

Goal 2 Action 10 - Facilities - To provide a safe, functional, and well-designed educational facility in which students can learn effectively.

Goal 2 Action 11 - Utilities - To provide a safe, functional, and well-designed educational facility in which students can learn effectively.

Goal 2 Action 12 - Master facilities planning - To plan for long term improvements to facilities to accommodate for growing and diversifying needs in our student body.

A description of how services for foster youth, English learners, and low-income students are being increased or improved by the percentage required.

All actions/services are proposed to ensure positive outcomes for student achievement, academically, socially, and emotionally, for low-income and all students on campus. Our District aims to allow its students to pursue any postsecondary opportunity they choose after high school. These actions and services reflect that goal. Although targeted funds are principally directed towards our low-income students, all students are served well with the use of these funds to increase academic achievement and preparation for college and career.

A description of the plan for how the additional concentration grant add-on funding identified above will be used to increase the number of staff providing direct services to students at schools that have a high concentration (above 55 percent) of foster youth, English learners, and low-income students, as applicable.

Staff-to-student ratios by type of school and concentration of unduplicated students	Schools with a student concentration of 55 percent or less	Schools with a student concentration of greater than 55 percent
Staff-to-student ratio of classified staff providing direct services to students		
Staff-to-student ratio of certificated staff providing direct services to students

[Plan Summary](#)

[Engaging Educational Partners](#)

[Goals and Actions](#)

[Increased or Improved Services for Foster Youth, English Learners, and Low-Income Students](#)

For additional questions or technical assistance related to the completion of the Local Control and Accountability Plan (LCAP) template, please contact the local county office of education (COE), or the California Department of Education's (CDE's) Local Agency Systems Support Office, by phone at 916-319-0809 or by email at lcff@cde.ca.gov.

Introduction and Instructions

The Local Control Funding Formula (LCFF) requires local educational agencies (LEAs) to engage their local educational partners in an annual planning process to evaluate their progress within eight state priority areas encompassing all statutory metrics (COEs have 10 state priorities). LEAs document the results of this planning process in the LCAP using the template adopted by the State Board of Education.

The LCAP development process serves three distinct, but related functions:

- **Comprehensive Strategic Planning:** The process of developing and annually updating the LCAP supports comprehensive strategic planning (California *Education Code* [EC] Section 52064[e][1]). Strategic planning that is comprehensive connects budgetary decisions to teaching and learning performance data. LEAs should continually evaluate the hard choices they make about the use of limited resources to meet student and community needs to ensure opportunities and outcomes are improved for all students.
- **Meaningful Engagement of Educational Partners:** The LCAP development process should result in an LCAP that reflects decisions made through meaningful engagement (EC Section 52064[e][1]). Local educational partners possess valuable perspectives and insights about an LEA's programs and services. Effective strategic planning will incorporate these perspectives and insights in order to identify potential goals and actions to be included in the LCAP.
- **Accountability and Compliance:** The LCAP serves an important accountability function because aspects of the LCAP template require LEAs to show that they have complied with various requirements specified in the LCFF statutes and regulations, most notably:
 - Demonstrating that LEAs are increasing or improving services for foster youth, English learners, and low-income students in proportion to the amount of additional funding those students generate under LCFF (EC Section 52064[b][4-6]).
 - Establishing goals, supported by actions and related expenditures, that address the statutory priority areas and statutory metrics (EC sections 52064[b][1] and [2]).
 - Annually reviewing and updating the LCAP to reflect progress toward the goals (EC Section 52064[b][7]).

The LCAP template, like each LEA's final adopted LCAP, is a document, not a process. LEAs must use the template to memorialize the outcome of their LCAP development process, which should: (a) reflect comprehensive strategic planning (b) through meaningful engagement with educational partners that (c) meets legal requirements, as reflected in the final adopted LCAP. The sections included within the LCAP template do not and cannot reflect the full development process, just as the LCAP template itself is not intended as a tool for engaging educational partners.

If a county superintendent of schools has jurisdiction over a single school district, the county board of education and the governing board of the school district may adopt and file for review and approval a single LCAP consistent with the requirements in *EC* sections 52060, 52062, 52066, 52068, and 52070. The LCAP must clearly articulate to which entity's budget (school district or county superintendent of schools) all budgeted and actual expenditures are aligned.

The revised LCAP template for the 2021–22, 2022–23, and 2023–24 school years reflects statutory changes made through Assembly Bill 1840 (Committee on Budget), Chapter 243, Statutes of 2018. These statutory changes enhance transparency regarding expenditures on actions included in the LCAP, including actions that contribute to meeting the requirement to increase or improve services for foster youth, English learners, and low-income students, and to streamline the information presented within the LCAP to make adopted LCAPs more accessible for educational partners and the public.

At its most basic, the adopted LCAP should attempt to distill not just what the LEA is doing for students in transitional kindergarten through grade twelve (TK–12), but also allow educational partners to understand why, and whether those strategies are leading to improved opportunities and outcomes for students. LEAs are strongly encouraged to use language and a level of detail in their adopted LCAPs intended to be meaningful and accessible for the LEA's diverse educational partners and the broader public.

In developing and finalizing the LCAP for adoption, LEAs are encouraged to keep the following overarching frame at the forefront of the strategic planning and educational partner engagement functions:

Given present performance across the state priorities and on indicators in the California School Dashboard (Dashboard), how is the LEA using its budgetary resources to respond to TK–12 student and community needs, and address any performance gaps, including by meeting its obligation to increase or improve services for foster youth, English learners, and low-income students?

LEAs are encouraged to focus on a set of metrics and actions that the LEA believes, based on input gathered from educational partners, research, and experience, will have the biggest impact on behalf of its TK–12 students.

These instructions address the requirements for each section of the LCAP, but may include information about effective practices when developing the LCAP and completing the LCAP itself. Additionally, information is included at the beginning of each section emphasizing the purpose that each section serves.

Plan Summary

Purpose

A well-developed Plan Summary section provides a meaningful context for the LCAP. This section provides information about an LEA's community as well as relevant information about student needs and performance. In order to provide a meaningful context for the rest of the LCAP, the content of this section should be clearly and meaningfully related to the content included in the subsequent sections of the LCAP.

Requirements and Instructions

General Information – Briefly describe the LEA, its schools, and its students in grades TK–12, as applicable to the LEA. For example, information about an LEA in terms of geography, enrollment, or employment, the number and size of specific schools, recent community challenges, and other such information as an LEA wishes to include can enable a reader to more fully understand an LEA's LCAP.

Reflections: Successes – Based on a review of performance on the state indicators and local performance indicators included in the Dashboard, progress toward LCAP goals, local self-assessment tools, input from educational partners, and any other information, what progress is the LEA most proud of and how does the LEA plan to maintain or build upon that success? This may include identifying specific examples of how past increases or improvements in services for foster youth, English learners, and low-income students have led to improved performance for these students.

Reflections: Identified Need – Referring to the Dashboard, identify: (a) any state indicator for which overall performance was in the "Red" or "Orange" performance category or any local indicator where the LEA received a "Not Met" or "Not Met for Two or More Years" rating AND (b) any state indicator for which performance for any student group was two or more performance levels below the "all student" performance. What steps is the LEA planning to take to address these areas of low performance and performance gaps? An LEA that is required to include a goal to address one or more consistently low-performing student groups or low-performing schools must identify that it is required to include this goal and must also identify the applicable student group(s) and/or school(s). Other needs may be identified using locally collected data including data collected to inform the self-reflection tools and reporting local indicators on the Dashboard.

LCAP Highlights – Identify and briefly summarize the key features of this year's LCAP.

Comprehensive Support and Improvement – An LEA with a school or schools identified for comprehensive support and improvement (CSI) under the Every Student Succeeds Act must respond to the following prompts:

- **Schools Identified:** Identify the schools within the LEA that have been identified for CSI.
- **Support for Identified Schools:** Describe how the LEA has or will support the identified schools in developing CSI plans that included a school-level needs assessment, evidence-based interventions, and the identification of any resource inequities to be addressed through the implementation of the CSI plan.
- **Monitoring and Evaluating Effectiveness:** Describe how the LEA will monitor and evaluate the implementation and effectiveness of the CSI plan to support student and school improvement.

Engaging Educational Partners

Purpose

Significant and purposeful engagement of parents, students, educators, and other educational partners, including those representing the student groups identified by LCFF, is critical to the development of the LCAP and the budget process. Consistent with statute, such engagement should support comprehensive strategic planning, accountability, and improvement across the state priorities and locally identified priorities (EC Section 52064[e](1)). Engagement of educational partners is an ongoing, annual process.

This section is designed to reflect how the engagement of educational partners influenced the decisions reflected in the adopted LCAP. The goal is to allow educational partners that participated in the LCAP development process and the broader public understand how the LEA engaged educational partners and the impact of that engagement. LEAs are encouraged to keep this goal in the forefront when completing this section.

Statute and regulations specify the educational partners that school districts and COEs must consult when developing the LCAP: teachers, principals, administrators, other school personnel, local bargaining units of the LEA, parents, and students. Before adopting the LCAP, school districts and COEs must share it with the Parent Advisory Committee and, if applicable, to its English Learner Parent Advisory Committee. The superintendent is required by statute to respond in writing to the comments received from these committees. School districts and COEs must also consult with the special education local plan area administrator(s) when developing the LCAP.

Statute requires charter schools to consult with teachers, principals, administrators, other school personnel, parents, and students in developing the LCAP. The LCAP should also be shared with, and LEAs should request input from, schoolsite-level advisory groups, as applicable (e.g., schoolsite councils, English Learner Advisory Councils, student advisory groups, etc.), to facilitate alignment between schoolsite and district-level goals and actions.

Information and resources that support effective engagement, define student consultation, and provide the requirements for advisory group composition, can be found under Resources on the following web page of the CDE's website: <https://www.cde.ca.gov/re/cl/>.

Requirements and Instructions

Below is an excerpt from the 2018–19 *Guide for Annual Audits of K–12 Local Education Agencies and State Compliance Reporting*, which is provided to highlight the legal requirements for engagement of educational partners in the LCAP development process:

Local Control and Accountability Plan:

For county offices of education and school districts only, verify the LEA:

- a) Presented the local control and accountability plan to the parent advisory committee in accordance with Education Code section 52062(a)(1) or 52068(a)(1), as appropriate.
- b) If applicable, presented the local control and accountability plan to the English learner parent advisory committee, in accordance with Education Code section 52062(a)(2) or 52068(a)(2), as appropriate.

c) Notified members of the public of the opportunity to submit comments regarding specific actions and expenditures proposed to be included in the local control and accountability plan in accordance with Education Code section 52062(a)(3) or 52068(a)(3), as appropriate.

d) Held at least one public hearing in accordance with Education Code section 52062(b)(1) or 52068(b)(1), as appropriate.

e) Adopted the local control and accountability plan in a public meeting in accordance with Education Code section 52062(b)(2) or 52068(b)(2), as appropriate.

Prompt 1: "A summary of the process used to engage educational partners and how this engagement was considered before finalizing the LCAP."

Describe the engagement process used by the LEA to involve educational partners in the development of the LCAP, including, at a minimum, describing how the LEA met its obligation to consult with all statutorily required educational partners as applicable to the type of LEA. A sufficient response to this prompt must include general information about the timeline of the process and meetings or other engagement strategies with educational partners. A response may also include information about an LEA's philosophical approach to engaging its educational partners.

Prompt 2: "A summary of the feedback provided by specific educational partners."

Describe and summarize the feedback provided by specific educational partners. A sufficient response to this prompt will indicate ideas, trends, or inputs that emerged from an analysis of the feedback received from educational partners.

Prompt 3: "A description of the aspects of the LCAP that were influenced by specific input from educational partners."

A sufficient response to this prompt will provide educational partners and the public with clear, specific information about how the engagement process influenced the development of the LCAP. The response must describe aspects of the LCAP that were influenced by or developed in response to the educational partner feedback described in response to Prompt 2. This may include a description of how the LEA prioritized requests of educational partners within the context of the budgetary resources available or otherwise prioritized areas of focus within the LCAP. For the purposes of this prompt, "aspects" of an LCAP that may have been influenced by educational partner input can include, but are not necessarily limited to:

- Inclusion of a goal or decision to pursue a Focus Goal (as described below)
- Inclusion of metrics other than the statutorily required metrics
- Determination of the desired outcome on one or more metrics
- Inclusion of performance by one or more student groups in the Measuring and Reporting Results subsection
- Inclusion of action(s) or a group of actions
- Elimination of action(s) or group of actions
- Changes to the level of proposed expenditures for one or more actions

- Inclusion of action(s) as contributing to increased or improved services for unduplicated services
- Determination of effectiveness of the specific actions to achieve the goal
- Determination of material differences in expenditures
- Determination of changes made to a goal for the ensuing LCAP year based on the annual update process
- Determination of challenges or successes in the implementation of actions

Goals and Actions

Purpose

Well-developed goals will clearly communicate to educational partners what the LEA plans to accomplish, what the LEA plans to do in order to accomplish the goal, and how the LEA will know when it has accomplished the goal. A goal statement, associated metrics and expected outcomes, and the actions included in the goal should be in alignment. The explanation for why the LEA included a goal is an opportunity for LEAs to clearly communicate to educational partners and the public why, among the various strengths and areas for improvement highlighted by performance data and strategies and actions that could be pursued, the LEA decided to pursue this goal, and the related metrics, expected outcomes, actions, and expenditures.

A well-developed goal can be focused on the performance relative to a metric or metrics for all students, a specific student group(s), narrowing performance gaps, or implementing programs or strategies expected to impact outcomes. LEAs should assess the performance of their student groups when developing goals and the related actions to achieve such goals.

Requirements and Instructions

LEAs should prioritize the goals, specific actions, and related expenditures included within the LCAP within one or more state priorities. LEAs should consider performance on the state and local indicators, including their locally collected and reported data for the local indicators that are included in the Dashboard in determining whether and how to prioritize its goals within the LCAP.

In order to support prioritization of goals, the LCAP template provides LEAs with the option of developing three different kinds of goals:

- Focus Goal: A Focus Goal is relatively more concentrated in scope and may focus on a fewer number of metrics to measure improvement. A Focus Goal statement will be time bound and make clear how the goal is to be measured.
- Broad Goal: A Broad Goal is relatively less concentrated in its scope and may focus on improving performance across a wide range of metrics.
- Maintenance of Progress Goal: A Maintenance Goal includes actions that may be ongoing without significant changes and allows an LEA to track performance on any metrics not addressed in the other goals of the LCAP.

At a minimum, the LCAP must address all LCFF priorities and associated metrics.

Focus Goal(s)

Goal Description: The description provided for a Focus Goal must be specific, measurable, and time bound. An LEA develops a Focus Goal to address areas of need that may require or benefit from a more specific and data intensive approach. The Focus Goal can explicitly reference the metric(s) by which achievement of the goal will be measured and the time frame according to which the LEA expects to achieve the goal.

Explanation of why the LEA has developed this goal: Explain why the LEA has chosen to prioritize this goal. An explanation must be based on Dashboard data or other locally collected data. LEAs must describe how the LEA identified this goal for focused attention, including relevant consultation with educational partners. LEAs are encouraged to promote transparency and understanding around the decision to pursue a focus goal.

Broad Goal

Goal Description: Describe what the LEA plans to achieve through the actions included in the goal. The description of a broad goal will be clearly aligned with the expected measurable outcomes included for the goal. The goal description organizes the actions and expected outcomes in a cohesive and consistent manner. A goal description is specific enough to be measurable in either quantitative or qualitative terms. A broad goal is not as specific as a focus goal. While it is specific enough to be measurable, there are many different metrics for measuring progress toward the goal.

Explanation of why the LEA has developed this goal: Explain why the LEA developed this goal and how the actions and metrics grouped together will help achieve the goal.

Maintenance of Progress Goal

Goal Description: Describe how the LEA intends to maintain the progress made in the LCFF State Priorities not addressed by the other goals in the LCAP. Use this type of goal to address the state priorities and applicable metrics not addressed within the other goals in the LCAP. The state priorities and metrics to be addressed in this section are those for which the LEA, in consultation with educational partners, has determined to maintain actions and monitor progress while focusing implementation efforts on the actions covered by other goals in the LCAP.

Explanation of why the LEA has developed this goal: Explain how the actions will sustain the progress exemplified by the related metrics.

Required Goals

In general, LEAs have flexibility in determining what goals to include in the LCAP and what those goals will address; however, beginning with the development of the 2022–23 LCAP, LEAs that meet certain criteria are required to include a specific goal in their LCAP.

Consistently low-performing student group(s) criteria: An LEA is eligible for Differentiated Assistance for three or more consecutive years based on the performance of the same student group or groups in the Dashboard. A list of the LEAs required to include a goal in the LCAP based on student group performance, and the student group(s) that lead to identification, may be found on the CDE's Local Control Funding Formula web page at <https://www.cde.ca.gov/fq/aa/lc/>.

- **Consistently low-performing student group(s) goal requirement:** An LEA meeting the consistently low-performing student group(s) criteria must include a goal in its LCAP focused on improving the performance of the student group or groups that led to the LEA's eligibility for Differentiated

Assistance. This goal must include metrics, outcomes, actions, and expenditures specific to addressing the needs of, and improving outcomes for, this student group or groups. An LEA required to address multiple student groups is not required to have a goal to address each student group; however, each student group must be specifically addressed in the goal. This requirement may not be met by combining this required goal with another goal.

- **Goal Description:** Describe the outcomes the LEA plans to achieve to address the needs of, and improve outcomes for, the student group or groups that led to the LEA's eligibility for Differentiated Assistance.
- **Explanation of why the LEA has developed this goal:** Explain why the LEA is required to develop this goal, including identifying the student group(s) that lead to the LEA being required to develop this goal, how the actions and associated metrics included in this goal differ from previous efforts to improve outcomes for the student group(s), and why the LEA believes the actions, metrics, and expenditures included in this goal will help achieve the outcomes identified in the goal description.

Low-performing school(s) criteria: The following criteria only applies to a school district or COE with two or more schools; it does not apply to a single-school district. A school district or COE has one or more schools that, for two consecutive years, received the two lowest performance levels on all but one of the state indicators for which the school(s) receive performance levels in the Dashboard and the performance of the "All Students" student group for the LEA is at least one performance level higher in all of those indicators. A list of the LEAs required to include a goal in the LCAP based on school performance, and the school(s) that lead to identification, may be found on the CDE's Local Control Funding Formula web page at <https://www.cde.ca.gov/fq/aa/lc/>.

- **Low-performing school(s) goal requirement:** A school district or COE meeting the low-performing school(s) criteria must include a goal in its LCAP focusing on addressing the disparities in performance between the school(s) and the LEA as a whole. This goal must include metrics, outcomes, actions, and expenditures specific to addressing the needs of, and improving outcomes for, the students enrolled at the low-performing school or schools. An LEA required to address multiple schools is not required to have a goal to address each school; however, each school must be specifically addressed in the goal. This requirement may not be met by combining this goal with another goal.
- **Goal Description:** Describe what outcomes the LEA plans to achieve to address the disparities in performance between the students enrolled at the low-performing school(s) and the students enrolled at the LEA as a whole.
- **Explanation of why the LEA has developed this goal:** Explain why the LEA is required to develop this goal, including identifying the school(s) that lead to the LEA being required to develop this goal; how the actions and associated metrics included in this goal differ from previous efforts to improve outcomes for the school(s); and why the LEA believes the actions, metrics, and expenditures included in this goal will help achieve the outcomes for students enrolled at the low-performing school or schools identified in the goal description.

Measuring and Reporting Results:

For each LCAP year, identify the metric(s) that the LEA will use to track progress toward the expected outcomes. LEAs are encouraged to identify metrics for specific student groups, as appropriate, including expected outcomes that would reflect narrowing of any existing performance gaps.

Include in the baseline column the most recent data associated with this metric available at the time of adoption of the LCAP for the first year of the three-year plan. LEAs may use data as reported on the 2019 Dashboard for the baseline of a metric only if that data represents the most recent available (e.g., high school graduation rate).

Using the most recent data available may involve reviewing data the LEA is preparing for submission to the California Longitudinal Pupil Achievement Data System (CALPADS) or data that the LEA has recently submitted to CALPADS. Because final 2020–21 outcomes on some metrics may not be computable at the time the 2021–24 LCAP is adopted (e.g., graduation rate, suspension rate), the most recent data available may include a point in time calculation taken each year on the same date for comparability purposes.

The baseline data shall remain unchanged throughout the three-year LCAP.

Complete the table as follows:

- **Metric:** Indicate how progress is being measured using a metric.
- **Baseline:** Enter the baseline when completing the LCAP for 2021–22. As described above, the baseline is the most recent data associated with a metric. Indicate the school year to which the data applies, consistent with the instructions above.
- **Year 1 Outcome:** When completing the LCAP for 2022–23, enter the most recent data available. Indicate the school year to which the data applies, consistent with the instructions above.
- **Year 2 Outcome:** When completing the LCAP for 2023–24, enter the most recent data available. Indicate the school year to which the data applies, consistent with the instructions above.
- **Year 3 Outcome:** When completing the LCAP for 2024–25, enter the most recent data available. Indicate the school year to which the data applies, consistent with the instructions above. The 2024–25 LCAP will be the first year in the next three-year cycle. Completing this column will be part of the Annual Update for that year.
- **Desired Outcome for 2023–24:** When completing the first year of the LCAP, enter the desired outcome for the relevant metric the LEA expects to achieve by the end of the 2023–24 LCAP year.

Timeline for completing the “**Measuring and Reporting Results**” part of the Goal.

Metric	Baseline	Year 1 Outcome	Year 2 Outcome	Year 3 Outcome	Desired Outcome for Year 3 (2023–24)
Enter information in this box when completing the LCAP for 2021–22 .	Enter information in this box when completing the LCAP for 2021–22 .	Enter information in this box when completing the LCAP for 2022–23 . Leave blank until then.	Enter information in this box when completing the LCAP for 2023–24 . Leave blank until then.	Enter information in this box when completing the LCAP for 2024–25 . Leave blank until then.	Enter information in this box when completing the LCAP for 2021–22 or when adding a new metric.

The metrics may be quantitative or qualitative; but at minimum, an LEA's LCAP must include goals that are measured using all of the applicable metrics for the related state priorities, in each LCAP year as applicable to the type of LEA. To the extent a state priority does not specify one or more metrics (e.g., implementation of state academic content and performance standards), the LEA must identify a metric to use within the LCAP. For these state priorities, LEAs are encouraged to use metrics based on or reported through the relevant self-reflection tool for local indicators within the Dashboard.

Actions: Enter the action number. Provide a short title for the action. This title will also appear in the action tables. Provide a description of the action. Enter the total amount of expenditures associated with this action. Budgeted expenditures from specific fund sources will be provided in the summary tables. Indicate whether the action contributes to meeting the increase or improved services requirement as described in the Increased or Improved Services section using a "Y" for Yes or an "N" for No. (**Note:** for each such action offered on an LEA-wide or schoolwide basis, the LEA will need to provide additional information in the Increased or Improved Summary Section to address the requirements in *California Code of Regulations*, Title 5 [5 CCR] Section 15496(b) in the Increased or Improved Services Section of the LCAP).

Actions for English Learners: School districts, COEs, and charter schools that have a numerically significant English learner student subgroup must include specific actions in the LCAP related to, at a minimum, the language acquisition programs, as defined in EC Section 306, provided to students and professional development activities specific to English learners.

Actions for Foster Youth: School districts, COEs, and charter schools that have a numerically significant Foster Youth student subgroup are encouraged to include specific actions in the LCAP designed to meet needs specific to Foster Youth students.

Goal Analysis:

Enter the LCAP Year.

Using actual annual measurable outcome data, including data from the Dashboard, analyze whether the planned actions were effective in achieving the goal. Respond to the prompts as instructed.

- Describe the overall implementation of the actions to achieve the articulated goal. Include a discussion of relevant challenges and successes experienced with the implementation process. This must include any instance where the LEA did not implement a planned action or implemented a planned action in a manner that differs substantively from how it was described in the adopted LCAP.
- Explain material differences between Budgeted Expenditures and Estimated Actual Expenditures and between the Planned Percentages of Improved Services and Estimated Actual Percentages of Improved Services, as applicable. Minor variances in expenditures or percentages do not need to be addressed, and a dollar-for-dollar accounting is not required.
- Describe the effectiveness of the specific actions to achieve the articulated goal as measured by the LEA. In some cases, not all actions in a goal will be intended to improve performance on all of the metrics associated with the goal. When responding to this prompt, LEAs may assess the effectiveness of a single action or group of actions within the goal in the context of performance on a single metric or group of specific metrics within the goal that are applicable to the action(s). Grouping actions with metrics will allow for more robust analysis of whether the strategy the LEA is using to impact a specified set of metrics is working and increase transparency for educational partners. LEAs are encouraged to use such an approach when goals include multiple actions and metrics that are not closely associated.
- Describe any changes made to this goal, expected outcomes, metrics, or actions to achieve this goal as a result of this analysis and analysis of the data provided in the Dashboard or other local data, as applicable.

Increased or Improved Services for Foster Youth, English Learners, and Low-Income Students

Purpose

A well-written Increased or Improved Services section provides educational partners with a comprehensive description, within a single dedicated section, of how an LEA plans to increase or improve services for its unduplicated students in grades TK–12 as compared to all students in grades TK–12, as applicable, and how LEA-wide or schoolwide actions identified for this purpose meet regulatory requirements. Descriptions provided should include sufficient detail yet be sufficiently succinct to promote a broader understanding of educational partners to facilitate their ability to provide input. An LEA's description in this section must align with the actions included in the Goals and Actions section as contributing.

Requirements and Instructions

Projected LCFF Supplemental and/or Concentration Grants: Specify the amount of LCFF supplemental and concentration grant funds the LEA estimates it will receive in the coming year based on the number and concentration of low income, foster youth, and English learner students.

Projected Additional LCFF Concentration Grant (15 percent): Specify the amount of additional LCFF concentration grant add-on funding, as described in EC Section 42238.02, that the LEA estimates it will receive in the coming year.

Projected Percentage to Increase or Improve Services for the Coming School Year: Specify the estimated percentage by which services for unduplicated pupils must be increased or improved as compared to the services provided to all students in the LCAP year as calculated pursuant to 5 CCR Section 15496(a)(7).

LCFF Carryover — Percentage: Specify the LCFF Carryover — Percentage identified in the LCFF Carryover Table. If a carryover percentage is not identified in the LCFF Carryover Table, specify a percentage of zero (0.00%).

LCFF Carryover — Dollar: Specify the LCFF Carryover — Dollar amount identified in the LCFF Carryover Table. If a carryover amount is not identified in the LCFF Carryover Table, specify an amount of zero (\$0).

Total Percentage to Increase or Improve Services for the Coming School Year: Add the Projected Percentage to Increase or Improve Services for the Coming School Year and the Proportional LCFF Required Carryover Percentage and specify the percentage. This is the LEAs percentage by which services for unduplicated pupils must be increased or improved as compared to the services provided to all students in the LCAP year, as calculated pursuant to 5 CCR Section 15496(a)(7).

Required Descriptions:

For each action being provided to an entire school, or across the entire school district or COE, an explanation of (1) how the needs of foster youth, English learners, and low-income students were considered first, and (2) how these actions are effective in meeting the goals for these students.

For each action included in the Goals and Actions section as contributing to the increased or improved services requirement for unduplicated pupils and provided on an LEA-wide or schoolwide basis, the LEA must include an explanation consistent with 5 CCR Section 15496(b). For any such actions continued into the 2021–24 LCAP from the 2017–2020 LCAP, the LEA must determine whether or not the action was effective as expected, and this determination must reflect evidence of outcome data or actual implementation to date.

Principally Directed and Effective: An LEA demonstrates how an action is principally directed towards and effective in meeting the LEA's goals for unduplicated students when the LEA explains how:

- It considers the needs, conditions, or circumstances of its unduplicated pupils;
- The action, or aspect(s) of the action (including, for example, its design, content, methods, or location), is based on these considerations; and
- The action is intended to help achieve an expected measurable outcome of the associated goal.

As such, the response provided in this section may rely on a needs assessment of unduplicated students.

Conclusory statements that a service will help achieve an expected outcome for the goal, without an explicit connection or further explanation as to how, are not sufficient. Further, simply stating that an LEA has a high enrollment percentage of a specific student group or groups does not meet the increase or improve services standard because enrolling students is not the same as serving students.

For example, if an LEA determines that low-income students have a significantly lower attendance rate than the attendance rate for all students, it might justify LEA-wide or schoolwide actions to address this area of need in the following way:

After assessing the needs, conditions, and circumstances of our low-income students, we learned that the attendance rate of our low-income students is 7 percent lower than the attendance rate for all students. (Needs, Conditions, Circumstances [Principally Directed])

In order to address this condition of our low-income students, we will develop and implement a new attendance program that is designed to address some of the major causes of absenteeism, including lack of reliable transportation and food, as well as a school climate that does not emphasize the importance of attendance. Goal N, Actions X, Y, and Z provide additional transportation and nutritional resources as well as a districtwide educational campaign on the benefits of high attendance rates. (Contributing Action[s])

These actions are being provided on an LEA-wide basis and we expect/hope that all students with less than a 100 percent attendance rate will benefit. However, because of the significantly lower attendance rate of low-income students, and because the actions meet needs most associated with the chronic stresses and experiences of a socio-economically disadvantaged status, we expect that the attendance rate for our low-income students will increase significantly more than the average attendance rate of all other students. (Measurable Outcomes [Effective In])

COEs and Charter Schools: Describe how actions included as contributing to meeting the increased or improved services requirement on an LEA-wide basis are principally directed to and effective in meeting its goals for unduplicated pupils in the state and any local priorities as described above. In the case of COEs and charter schools, schoolwide and LEA-wide are considered to be synonymous.

For School Districts Only:

Actions Provided on an LEA-Wide Basis:

Unduplicated Percentage > 55 percent: For school districts with an unduplicated pupil percentage of 55 percent or more, describe how these actions are principally directed to and effective in meeting its goals for unduplicated pupils in the state and any local priorities as described above.

Unduplicated Percentage < 55 percent: For school districts with an unduplicated pupil percentage of less than 55 percent, describe how these actions are principally directed to and effective in meeting its goals for unduplicated pupils in the state and any local priorities. Also describe how the actions **are the most effective use of the funds** to meet these goals for its unduplicated pupils. Provide the basis for this determination, including any alternatives considered, supporting research, experience, or educational theory.

Actions Provided on a Schoolwide Basis:

School Districts must identify in the description those actions being funded and provided on a schoolwide basis, and include the required description supporting the use of the funds on a schoolwide basis.

For schools with 40 percent or more enrollment of unduplicated pupils: Describe how these actions are principally directed to and effective in meeting its goals for its unduplicated pupils in the state and any local priorities.

For school districts expending funds on a schoolwide basis at a school with less than 40 percent enrollment of unduplicated pupils: Describe how these actions are principally directed to and how the actions are the most effective use of the funds to meet its goals for foster youth, English learners, and low-income students in the state and any local priorities.

A description of how services for foster youth, English learners, and low-income students are being increased or improved by the percentage required.

Consistent with the requirements of 5 CCR Section 15496, describe how services provided for unduplicated pupils are increased or improved by at least the percentage calculated as compared to the services provided for all students in the LCAP year. To improve services means to grow services in quality and to increase services means to grow services in quantity. Services are increased or improved by those actions in the LCAP that are included in the Goals and Actions section as contributing to the increased or improved services requirement, whether they are provided on an LEA-wide or schoolwide basis or provided on a limited basis to unduplicated students. A limited action is an action that only serves foster youth, English learners, and/or low-income students. This description must address how these action(s) are expected to result in the required proportional increase or improvement in services for unduplicated pupils as compared to the services the LEA provides to all students for the relevant LCAP year.

For any action contributing to meeting the increased or improved services requirement that is associated with a Planned Percentage of Improved Services in the Contributing Summary Table rather than an expenditure of LCFF funds, describe the methodology that was used to determine the contribution of the action towards the proportional percentage. See the instructions for determining the Planned Percentage of Improved Services for information on calculating the Percentage of Improved Services.

A description of the plan for how the additional concentration grant add-on funding identified above will be used to increase the number of staff providing direct services to students at schools that have a high concentration (above 55 percent) of foster youth, English learners, and low-income students, as applicable.

An LEA that receives the additional concentration grant add-on described in EC Section 42238.02 is required to demonstrate how it is using these funds to increase the number of staff who provide direct services to students at schools with an enrollment of unduplicated students that is greater than 55 percent as compared to the number of staff who provide direct services to students at schools with an enrollment of unduplicated students that is equal to or less than 55 percent. The staff who provide direct services to students must be certificated staff and/or classified staff employed by the LEA; classified staff includes custodial staff.

Provide the following descriptions, as applicable to the LEA:

An LEA that does not receive a concentration grant or the concentration grant add-on must indicate that a response to this prompt is not applicable.

Identify the goal and action numbers of the actions in the LCAP that the LEA is implementing to meet the requirement to increase the number of staff who provide direct services to students at schools with an enrollment of unduplicated students that is greater than 55 percent.

An LEA that does not have comparison schools from which to describe how it is using the concentration grant add-on funds, such as an LEA that only has schools with an enrollment of unduplicated students that is greater than 55 percent, must describe how it is using the funds to increase the number of credentialed staff, classified staff, or both, including custodial staff, who provide direct services to students at selected schools and the criteria used to determine which schools require additional staffing support.

In the event that an additional concentration grant add-on is not sufficient to increase staff providing direct services to students at a school with an enrollment of unduplicated students that is greater than 55 percent, the LEA must describe how it is using the funds to retain staff providing direct services to students at a school with an enrollment of unduplicated students that is greater than 55 percent.

Complete the table as follows:

- Provide the staff-to-student ratio of classified staff providing direct services to students with a concentration of unduplicated students that is 55 percent or less and the staff-to-student ratio of classified staff providing direct services to students at schools with a concentration of unduplicated students that is greater than 55 percent, as applicable to the LEA. The LEA may group its schools by grade span (Elementary, Middle/Junior High, and High Schools), as applicable to the LEA. The staff-to-student ratio must be based on the number of full time equivalent (FTE) staff and the number of enrolled students as counted on the first Wednesday in October of each year.
- Provide the staff-to-student ratio of certificated staff providing direct services to students at schools with a concentration of unduplicated students that is 55 percent or less and the staff-to-student ratio of certificated staff providing direct services to students at schools with a concentration of unduplicated students that is greater than 55 percent, as applicable to the LEA. The LEA may group its schools by grade span (Elementary, Middle/Junior High, and High Schools), as applicable to the LEA. The staff-to-student ratio must be based on the number of FTE staff and the number of enrolled students as counted on the first Wednesday in October of each year.

Action Tables

Complete the Data Entry Table for each action in the LCAP. The information entered into this table will automatically populate the other Action Tables. Information is only entered into the Data Entry Table, the Annual Update Table, the Contributing Actions Annual Update Table, and the LCFF Carryover Table. With the exception of the Data Entry Table, the word "input" has been added to column headers to aid in identifying the column(s) where information will be entered. Information is not entered on the remaining Action tables.

The following tables are required to be included as part of the LCAP adopted by the local governing board or governing body:

- Table 1: Total Planned Expenditures Table (for the coming LCAP Year)

- Table 2: Contributing Actions Table (for the coming LCAP Year)
- Table 3: Annual Update Table (for the current LCAP Year)
- Table 4: Contributing Actions Annual Update Table (for the current LCAP Year)
- Table 5: LCFF Carryover Table (for the current LCAP Year)

Note: The coming LCAP Year is the year that is being planned for, while the current LCAP year is the current year of implementation. For example, when developing the 2022–23 LCAP, 2022–23 will be the coming LCAP Year and 2021–22 will be the current LCAP Year.

Data Entry Table

The Data Entry Table may be included in the LCAP as adopted by the local governing board or governing body, but is not required to be included. In the Data Entry Table, input the following information for each action in the LCAP for that applicable LCAP year:

- **LCAP Year:** Identify the applicable LCAP Year.
- **1. Projected LCFF Base Grant:** Provide the total amount of LCFF funding the LEA estimates it will receive for the coming school year, excluding the supplemental and concentration grants and the add-ons for the Targeted Instructional Improvement Grant Program and the Home to School Transportation Program, pursuant to 5 CCR Section 15496(a)(8).

See EC sections 2574 (for COEs) and 42238.02 (for school districts and charter schools), as applicable, for LCFF apportionment calculations.

- **2. Projected LCFF Supplemental and/or Concentration Grants:** Provide the total amount of LCFF supplemental and concentration grants the LEA estimates it will receive on the basis of the number and concentration of unduplicated students for the coming school year.
- **3. Projected Percentage to Increase or Improve Services for the Coming School Year:** This percentage will not be entered; it is calculated based on the Projected LCFF Base Grant and the Projected LCFF Supplemental and/or Concentration Grants, pursuant to 5 CCR Section 15496(a)(8). This is the percentage by which services for unduplicated pupils must be increased or improved as compared to the services provided to all students in the coming LCAP year.
- **LCFF Carryover — Percentage:** Specify the LCFF Carryover — Percentage identified in the LCFF Carryover Table from the prior LCAP year. If a carryover percentage is not identified in the LCFF Carryover Table, specify a percentage of zero (0.00%).
- **Total Percentage to Increase or Improve Services for the Coming School Year:** This percentage will not be entered; it is calculated based on the Projected Percentage to Increase or Improve Services for the Coming School Year and the LCFF Carryover —

Percentage. This is the percentage by which the LEA must increase or improve services for unduplicated pupils as compared to the services provided to all students in the coming LCAP year.

- **Goal #:** Enter the LCAP Goal number for the action.
- **Action #:** Enter the action's number as indicated in the LCAP Goal.
- **Action Title:** Provide a title of the action.
- **Student Group(s):** Indicate the student group or groups who will be the primary beneficiary of the action by entering "All," or by entering a specific student group or groups.
- **Contributing to Increased or Improved Services?:** Type "Yes" if the action is included as contributing to meeting the increased or improved services; OR, type "No" if the action is **not** included as contributing to meeting the increased or improved services.
- If "Yes" is entered into the Contributing column, then complete the following columns:
 - **Scope:** The scope of an action may be LEA-wide (i.e., districtwide, countywide, or charterwide), schoolwide, or limited. An action that is LEA-wide in scope upgrades the entire educational program of the LEA. An action that is schoolwide in scope upgrades the entire educational program of a single school. An action that is limited in its scope is an action that serves only one or more unduplicated student groups.
 - **Unduplicated Student Group(s):** Regardless of scope, contributing actions serve one or more unduplicated student groups. Indicate one or more unduplicated student groups for whom services are being increased or improved as compared to what all students receive.
 - **Location:** Identify the location where the action will be provided. If the action is provided to all schools within the LEA, the LEA must indicate "All Schools." If the action is provided to specific schools within the LEA or specific grade spans only, the LEA must enter "Specific Schools" or "Specific Grade Spans." Identify the individual school or a subset of schools or grade spans (e.g., all high schools or grades transitional kindergarten through grade five), as appropriate.
- **Time Span:** Enter "ongoing" if the action will be implemented for an indeterminate period of time. Otherwise, indicate the span of time for which the action will be implemented. For example, an LEA might enter "1 Year," or "2 Years," or "6 Months."
- **Total Personnel:** Enter the total amount of personnel expenditures utilized to implement this action.
- **Total Non-Personnel:** This amount will be automatically calculated based on information provided in the Total Personnel column and the Total Funds column.

- **LCFF Funds:** Enter the total amount of LCFF funds utilized to implement this action, if any. LCFF funds include all funds that make up an LEA's total LCFF target (i.e., base grant, grade span adjustment, supplemental grant, concentration grant, Targeted Instructional Improvement Block Grant, and Home-To-School Transportation).
 - **Note:** For an action to contribute towards meeting the increased or improved services requirement it must include some measure of LCFF funding. The action may also include funding from other sources, however the extent to which an action contributes to meeting the increased or improved services requirement is based on the LCFF funding being used to implement the action.
- **Other State Funds:** Enter the total amount of Other State Funds utilized to implement this action, if any.
- **Local Funds:** Enter the total amount of Local Funds utilized to implement this action, if any.
- **Federal Funds:** Enter the total amount of Federal Funds utilized to implement this action, if any.
- **Total Funds:** This amount is automatically calculated based on amounts entered in the previous four columns.
- **Planned Percentage of Improved Services:** For any action identified as contributing, being provided on a Limited basis to unduplicated students, and that does not have funding associated with the action, enter the planned quality improvement anticipated for the action as a percentage rounded to the nearest hundredth (0.00%). A limited action is an action that only serves foster youth, English learners, and/or low-income students.
 - As noted in the instructions for the Increased or Improved Services section, when identifying a Planned Percentage of Improved Services, the LEA must describe the methodology that it used to determine the contribution of the action towards the proportional percentage. The percentage of improved services for an action corresponds to the amount of LCFF funding that the LEA estimates it would expend to implement the action if it were funded.

For example, an LEA determines that there is a need to analyze data to ensure that instructional aides and expanded learning providers know what targeted supports to provide to students who are foster youth. The LEA could implement this action by hiring additional staff to collect and analyze data and to coordinate supports for students, which the LEA estimates would cost \$165,000. Instead, the LEA chooses to utilize a portion of existing staff time to analyze data relating to students who are foster youth. This analysis will then be shared with site principals who will use the data to coordinate services provided by instructional assistants and expanded learning providers to target support to students. In this example, the LEA would divide the estimated cost of \$165,000 by the amount of LCFF Funding identified in the Data Entry Table and then convert the quotient to a percentage. This percentage is the Planned Percentage of Improved Service for the action.

Contributing Actions Table

As noted above, information will not be entered in the Contributing Actions Table; however, the 'Contributing to Increased or Improved Services?' column will need to be checked to ensure that only actions with a "Yes" are displaying. If actions with a "No" are displayed or if actions that are contributing are not displaying in the column, use the drop-down menu in the column header to filter only the "Yes" responses.

Annual Update Table

In the Annual Update Table, provide the following information for each action in the LCAP for the relevant LCAP year:

- **Estimated Actual Expenditures:** Enter the total estimated actual expenditures to implement this action, if any.

Contributing Actions Annual Update Table

In the Contributing Actions Annual Update Table, check the 'Contributing to Increased or Improved Services?' column to ensure that only actions with a "Yes" are displaying. If actions with a "No" are displayed or if actions that are contributing are not displaying in the column, use the drop-down menu in the column header to filter only the "Yes" responses. Provide the following information for each contributing action in the LCAP for the relevant LCAP year:

- **6. Estimated Actual LCFF Supplemental and/or Concentration Grants:** Provide the total amount of LCFF supplemental and concentration grants the LEA estimates it will actually receive based on of the number and concentration of unduplicated students in the current school year.
- **Estimated Actual Expenditures for Contributing Actions:** Enter the total estimated actual expenditure of LCFF funds used to implement this action, if any.
- **Estimated Actual Percentage of Improved Services:** For any action identified as contributing, being provided on a Limited basis only to unduplicated students, and that does not have funding associated with the action, enter the total estimated actual quality improvement anticipated for the action as a percentage rounded to the nearest hundredth (0.00%).
 - Building on the example provided above for calculating the Planned Percentage of Improved Services, the LEA in the example implements the action. As part of the annual update process, the LEA reviews implementation and student outcome data and determines that the action was implemented with fidelity and that outcomes for foster youth students improved. The LEA reviews the original estimated cost for the action and determines that had it hired additional staff to collect and analyze data and to coordinate supports for students that estimated actual cost would have been \$169,500 due to a cost of living adjustment. The LEA would divide the estimated actual cost of \$169,500 by the amount of LCFF Funding identified in the Data Entry Table and then convert the quotient to a percentage. This percentage is the Estimated Actual Percentage of Improved Services for the action.

LCFF Carryover Table

- **9. Estimated Actual LCFF Base Grant:** Provide the total amount of LCFF funding the LEA estimates it will receive for the current school year, excluding the supplemental and concentration grants and the add-ons for the Targeted Instructional Improvement Grant Program and the Home to School Transportation Program, pursuant to 5 CCR Section 15496(a)(8).

AGRICULTURAL CAREER TECHNICAL EDUCATION INCENTIVE GRANT 2022-23 APPLICATION FOR FUNDING

California Department of Education
(Due Date: To be received in Regional Supervisor's Office by June 30, 2022)

Eligibility Determination Sheet

IN ORDER TO APPLY FOR FUNDING, YOU MUST MEET **ALL** THE QUALITY CRITERIA LISTED BELOW.

Please check each Quality Criteria you meet:

- ☒ 1. Curriculum and Instruction
- ☒ 2. Leadership and Citizenship Development
- ☒ 3. Practical Application of Occupational Skills
- ☒ 4. Qualified and Competent Personnel
- ☒ 5. Facilities, Equipment, and Materials
- ☒ 6. Community, Business, and Industry Involvement
- ☒ 7. Career Guidance
- ☒ 8. Program Promotion
- ☒ 9. Program Accountability and Planning

IF YOU CHECKED **ALL** THE REQUIRED QUALITY CRITERIA, PLEASE
CONTINUE TO THE NEXT PAGE OF YOUR APPLICATION.

If you **do not** meet one or more of the criteria listed above, you may submit a Variance Request Form for each unmet criterion.

A variance is a proposed plan to bring your program into compliance with all the quality criteria listed above, prior to the following year's application.

All variances must be approved with this application in order to be eligible for funding. Non-compliance with the terms of the approved variance will result in a loss of funds.

Will you be including a formal Variance Request Form for each unmet criterion?

☐ Yes ☒ No

IF YOU ARE REQUESTING ONE OR MORE VARIANCES, PLEASE COMPLETE A
VARIANCE REQUEST FORM FOR EACH AND CONTINUE TO THE NEXT PAGE OF
YOUR APPLICATION.

IF YOU DO NOT MEET **ALL** REQUIRED QUALITY CRITERIA LISTED ABOVE,
AND YOU ARE **NOT** SUBMITTING A VARIANCE REQUEST FORM

STOP

YOU ARE NOT ELIGIBLE TO APPLY FOR FUNDING THROUGH THE AGRICULTURAL
CAREER TECHNICAL EDUCATION INCENTIVE GRANT.

AGRICULTURAL CAREER TECHNICAL EDUCATION INCENTIVE GRANT 2022-23 APPLICATION FOR FUNDING

California Department of Education
(Due Date: To be received in Regional Supervisor's Office by June 30, 2022)

AWARD ESTIMATOR

DATES OF PROJECT DURATION: JULY 1, 2022 TO JUNE 30, 2023

Applicant Information (please fill in the underlined fields)

Number of different agriculture teachers at site
(Please attach a separate list of agriculture teachers' names): 5

Total number of students from the prior fiscal year R-2 Report: 473

Number of teachers meeting Criterion 10 (Class size - See instructions): 5

Number of teachers meeting Criterion 11a (Year round employment - See instructions): 5

Number of teachers meeting Criterion 11b (Project supervision period - See instructions): 4

Do you meet all criteria on the attached Quality Criterion 12 Form (Y/N)? Y

Award Calculations

Part 1: Based on your number of agriculture teachers at the site:
(Please attach a separate list of agriculture teachers' names):

\$5000

Part 2: Based on \$8.00 per member listed on the R-2 Report:

\$3784

Part 3a: Based on number of teachers meeting Criterion 10:

\$10000

Part 3b: Based on number of teachers meeting Criterion 11a:

\$10000

Part 3c: Based on number of teachers meeting Criterion 11b:

\$8000

Part 4: Based on meeting all criteria on the Quality Criterion 12 Form:

\$ 0.00

Total Estimated Award:

\$36,784

AGRICULTURAL CAREER TECHNICAL EDUCATION INCENTIVE GRANT 2022-23 APPLICATION FOR FUNDING

California Department of Education

(Due Date: To be received in Regional Supervisor's Office by June 30, 2022)

Budget Sheet

Incentive grant awards must be matched for each Account Number below (4000, 5000, and 6000). Account Number 4000 requires only the subtotal be matched, but Account Numbers 5000 and 6000 must be matched by line item. A waiver of matching must be approved for any instances where matching funds do not meet or exceed Incentive Grant funds.

Amount left to Allocate:

\$ 0.00

4000: Books & Supplies

Items	Description of Items of Funds Being Used	Incentive Grant Funds	Matching Funds
1.	Class supplies for all Ag. Pathways	\$4,384	\$4,384
Subtotal	N/A	<u>\$4,384</u>	<u>\$4,384</u>

5000 Services and Operating Expenses, including services of consultants, staff travel, conferences, rentals, leases, repairs, and bus transportation

Items	Description of Items of Funds Being Used	Incentive Grant Funds	Matching Funds
1.	Student/Staff Travel/Conf/Field Days	\$26,000	\$26,000
2.	Membership Dues	\$6,000	\$6,000
3.	Service: Dry Clean FFA Jackets	\$400	\$400
4.			
5.			
6.			
7.			
8.			
9.			
10.			
Subtotal	N/A	<u>\$32,400</u>	<u>\$32,400</u>

\$36,784

Supplement to the Annual Update to the 2021–22 Local Control and Accountability Plan

Local Educational Agency (LEA) Name	Contact Name and Title	Email and Phone
Corning Union High School Dist	Jared Caylor Superintendent	jcaylor@corninghs.org 5308248000

California's 2021–22 Budget Act, the federal American Rescue Plan Act of 2021, and other state and federal relief acts have provided local educational agencies (LEAs) with a significant increase in funding to support students, teachers, staff, and their communities in recovering from the COVID-19 pandemic and to address the impacts of distance learning on students. The following is a one-time mid-year report to the local governing board or body and educational partners related to engagement on, and implementation of, these Acts.

A description of how and when the LEA engaged, or plans to engage, its educational partners on the use of funds provided through the Budget Act of 2021 that were not included in the 2020–21 Local Control and Accountability Plan (LCAP).

Corning Union High School District has ongoing, two-way communication between the community and District has been ongoing. This has been primarily achieved through social media, Google surveys, Board Meetings, DELAC meetings, site council meetings, and general interactions with parents and students. As we have sought public comments in the development of our plans we've those comments into account. Plans have been provided on the district website and continue public comment is made available through the CUHSD Board Meetings, Site Council Meetings, DELAC meetings, etc. The district has provided translation for plans, as appropriate, to non-English speaking families via Google Translate or through other interpreter services as requested.

Following are the additional funds received that were not budgeted:

LCFF:
Federal:
State:
Local:

A description of how the LEA used, or plans to use, the additional concentration grant add-on funding it received to increase the number of staff who provide direct services to students on school campuses with an enrollment of students who are low-income, English learners, and/or foster youth that is greater than 55 percent.

The Corning Union High School District received an additional \$287,784 in concentration grant funds to add and/or retain staff to address the learning needs of unduplicated students. Throughout the pandemic, CUHSD has been working to support our EL students with a new EL Coach position. This position was originally funded through federal grants funds, but will be maintained using supplemental LCFF funding.

A description of how and when the LEA engaged its educational partners on the use of one-time federal funds received that are intended to support recovery from the COVID-19 pandemic and the impacts of distance learning on pupils.

The Corning Union High School District received the following one-time funds through the federal government to help us respond to the COVID-19 pandemic and the effects of distance learning on our students:

GEER I and II:

ESSER II:

ESSER III SEA:

ESSER III Plan:

Educator Effectiveness:

Corning Union High School District has ongoing, two-way communication between the community and District has been ongoing. This has been primarily achieved through social media, Google surveys, Board Meetings, DELAC meetings, site council meetings, and general interactions with parents and students. As we have sought public comments in the development of our plans we've those comments into account. Plans have been provided on the district website and continue public comment is made available through the CUHSD Board Meetings, Site Council Meetings, DELAC meetings, etc. The district has provided translation for plans, as appropriate, to non-English speaking families via Google Translate or through other interpreter services as requested. The strategies identified for addressing these federal funds address the mitigate of the risk of COVID-19 spread within our schools. These strategies are revised as needed based upon COVID cases within our schools and community and any new research/evidence that becomes available.

A description of how the LEA is implementing the federal American Rescue Plan Act and federal Elementary and Secondary School Emergency Relief expenditure plan, and the successes and challenges experienced during implementation.

The Corning Union High School District received \$2,765,432 to address our ESSER III Expenditure Plan. This plan was submitted to the Tehama County Department of Education for review and to the California Department of Education who approved the plan.

As of February, 2022, we have had success in implementing our ESSER plan by: Facility enhancements have allowed us to spread students out for safety and minimizing exposure to COVID-19. We have also been able to upgrade technology resources for both students and staff allowing greater access to online and instructional resources which has also allowed for staff to provide more flexibility in addressing students needs as students are on campus or at home due to quarantining and illness. We have also been able to add more social and emotional supports.

As of February, 2022, we have experienced challenges in implementing the ESSER plan by: The high number of COVID infections has continued to challenge our staff and students in maintaining a consistent implementation of curriculum. Extra curricular activities have also been a challenge not only due to the number of students who are out ill but also in maintaining social distancing requirements. Many resources have been strained due to the stresses of keeping staff positions filled and addressing the needs of students related to the COVID-19 pandemic.

A description of how the LEA is using its fiscal resources received for the 2021–22 school year in a manner that is consistent with the applicable plans and is aligned with the LEA's 2021–22 LCAP and Annual Update.

The 2021-2022 school year has been a year of many plans, and our district has worked diligently to ensure that all plans are aligned and all funds can be maximized to support student outcomes. As noted throughout this document, our district has received one-time state and federal funds that are geared toward keeping our school safely open while preventing the spread of COVID-19 and accelerating student learning recovery.

To that end, we have worked to align our fiscal resources to our 2021-22 LCAP [LINK] in the following plans in these ways:

SAFE RETURN TO IN-PERSON INSTRUCTION AND CONTINUITY OF SERVICES PLAN [LINK]: In order to maintain and enhance our goal of a safe school this plan has provided strategies for teaching staff and students good personal hygiene practices as well as providing additional hygiene equipment. Custodial staff have intensified cleaning and ventilation practices. Clear practices and procedures have also been developed to address illness detection and prevention that has included the use of face coverings. We have also prioritized the social and emotional needs of our students by providing mental health supports, providing extracurricular activities that enhance the educational experiences of our students, and supporting the continued implementation of quality instruction.

ESSER III EXPENDITURE PLAN [LINK]: Through this plan we have addressed safety through upgrading and enhancing outdoor learning spaces, and improving HVAC systems. Academic goals have been enhanced by adding supports for our special education students with semi-

annual and quarterly check-ins. Professional development opportunities for our staff have been conducted monthly and we have upgraded many of the technology resources available to both staff and students allowing better accessibility to distance learning opportunities and in-school opportunities.

Instructions for the Supplement to the Annual Update for the 2021–22 Local Control and Accountability Plan Year

For additional questions or technical assistance related to the completion of the Supplement to the Annual Update to the 2021–22 Local Control and Accountability Plan (LCAP), please contact the local county office of education (COE), or the California Department of Education's (CDE's) Local Agency Systems Support Office, by phone at 916-319-0809 or by email at lcsff@cde.ca.gov.

Introduction

California's 2021–22 Budget Act, the federal American Rescue Plan Act of 2021, and other state and federal relief acts have provided local educational agencies (LEAs) with a significant increase in funding to support students, teachers, staff, and their communities in recovering from the COVID-19 pandemic and to address the impacts of distance learning on students. Section 124(e) of Assembly Bill 130 requires LEAs to present an update on the Annual Update to the 2021–22 LCAP and Budget Overview for Parents on or before February 28, 2022, at a regularly scheduled meeting of the governing board or body of the LEA. At this meeting, the LEA must include all of the following:

- The Supplement to the Annual Update for the 2021–22 LCAP (2021–22 Supplement);
- All available mid-year outcome data related to metrics identified in the 2021–22 LCAP; and
- Mid-year expenditure and implementation data on all actions identified in the 2021–22 LCAP.

When reporting available mid-year outcome, expenditure, and implementation data, LEAs have flexibility to provide this information as best suits the local context, provided that it is succinct and contains a level of detail that is meaningful and accessible for the LEA's educational partners.

The 2021–22 Supplement is considered part of the 2022–23 LCAP for the purposes of adoption, review, and approval, and must be included with the LCAP as follows:

- The 2022–23 Budget Overview for Parents
- The 2021–22 Supplement
- The 2022–23 LCAP
- The Action Tables for the 2022–23 LCAP

- The Instructions for the LCAP Template

As such, the 2021–22 Supplement will be submitted for review and approval as part of the LEA's 2022–23 LCAP.

Instructions

Respond to the following prompts, as required. In responding to these prompts, LEAs must, to the greatest extent practicable, provide succinct responses that contain a level of detail that will be meaningful and accessible for the LEA's educational partners and the broader public and must, to the greatest extent practicable, use language that is understandable and accessible to parents.

In responding to these prompts, the LEA has flexibility to reference information provided in other planning documents. An LEA that chooses to reference information provided in other planning documents must identify the plan(s) being referenced, where the plan(s) are located (such as a link to a web page), and where in the plan the information being referenced may be found.

Prompt 1: *"A description of how and when the LEA engaged, or plans to engage, its educational partners on the use of funds provided through the Budget Act of 2021 that were not included in the 2020–21 Local Control and Accountability Plan (LCAP)."*

In general, LEAs have flexibility in deciding what funds are included in the LCAP and to what extent those funds are included. If the LEA received funding through the Budget Act of 2021 that it would have typically included within its LCAP, identify the funds provided in the Budget Act of 2021 that were not included in the LCAP and provide a description of how the LEA has engaged its educational partners on the use of funds. If an LEA included the applicable funds in its adopted 2021–22 LCAP, provide this explanation.

Prompt 2: *"A description of how LEA used, or plans to use, the concentration grant add-on funding it received to increase the number of staff who provide direct services to students on school campuses with an enrollment of students who are low-income, English learners, and/or foster youth that is greater than 55 percent."*

If LEA does not receive a concentration grant or the concentration grant add-on, provide this explanation.

Describe how the LEA is using, or plans to use, the concentration grant add-on funds received consistent with California Education Code Section 42238.02, as amended, to increase the number of certificated staff, classified staff, or both, including custodial staff, who provide direct services to students on school campuses with greater than 55 percent unduplicated pupil enrollment, as compared to schools with an enrollment of unduplicated students that is equal to or less than 55 percent.

In the event that the additional concentration grant add-on is not sufficient to increase the number of staff providing direct services to students at a school with an enrollment of unduplicated students that is greater than 55 percent, describe how the LEA is using the funds to retain staff providing direct services to students at a school with an enrollment of unduplicated students that is greater than 55 percent.

Prompt 3: *"A description of how and when the LEA engaged its educational partners on the use of one-time federal funds received that are*

intended to support recovery from the COVID-19 pandemic and the impacts of distance learning on pupils.”

If the LEA did not receive one-time federal funding to support recovery from the COVID-19 pandemic and the impacts of distance learning on students, provide this explanation.

Describe how and when the LEA engaged its educational partners on the use of one-time federal funds it received that are intended to support recovery from the COVID-19 pandemic and the impacts of distance learning on students. See the COVID-19 Relief Funding Summary Sheet web page (<https://www.cde.ca.gov/fq/cr/relieffunds.asp>) for a listing of COVID-19 relief funding and the Federal Stimulus Funding web page (<https://www.cde.ca.gov/fq/cr/>) for additional information on these funds. The LEA is not required to describe engagement that has taken place related to state funds.

Prompt 4: “A description of how the LEA is implementing the federal American Rescue Plan Act and federal Elementary and Secondary School Emergency Relief expenditure plan, and the successes and challenges experienced during implementation.”

If an LEA does not receive ESSER III funding, provide this explanation.

Describe the LEA’s implementation of its efforts to maintain the health and safety of students, educators, and other staff and ensure the continuity of services, as required by the federal American Rescue Plan Act of 2021, and its implementation of the federal Elementary and Secondary School Emergency Relief (ESSER) expenditure plan to date, including successes and challenges.

Prompt 5: “A description of how the LEA is using its fiscal resources received for the 2021–22 school year in a manner that is consistent with the applicable plans and is aligned with the LEA’s 2021–22 LCAP and Annual Update.”

Summarize how the LEA is using its fiscal resources received for the 2021–22 school year to implement the requirements of applicable plans in a manner that is aligned with the LEA’s 2021–22 LCAP. For purposes of responding to this prompt, “applicable plans” include the Safe Return to In-Person Instruction and Continuity of Services Plan and the ESSER III Expenditure Plan.

California Department of Education
November 2021

Local Control Accountability Plan

The instructions for completing the Local Control and Accountability Plan (LCAP) follow the template.

Local Educational Agency (LEA) Name	Contact Name and Title	Email and Phone
Corning Union High School Dist	Jared Caylor Superintendent	jcaylor@corninghs.org 530-824-8000

Plan Summary [2022-23]

General Information

A description of the LEA, its schools, and its students in grades transitional kindergarten–12, as applicable to the LEA.

The city of Corning is located among olive, prune, almond, and walnut orchards between the Sacramento River and Interstate 5 in rural Northern California. Agriculture is the base of the community and olive farming distinguishes Corning from its neighbors as the “Olive Capital”. Our students live among the orchards and pastures, in town, or commute to school from the foothills.

The Immigration Reform Act of 1986 dynamically changed the community when many migrant families established residence within and around Corning. Now, the largest ethnic group at the school is Hispanic or Latino with the next largest group being White. We have a very small percentage of African American, Asian, and mixed ethnicity. Our Native American students make up just over one percent of our school population.

23.1% of our students are English Learners. This is significantly higher than the state average.

The majority of the students (69.7%) in the District are socioeconomically disadvantaged. This is an indicator of the level of poverty that affects many in our community.

Corning is a vibrant community with the High School at its heart. The community and students are active, energetic, and collaborative. The high level of academics, career technical education opportunities, athletic success and sportsmanship, performances in the arts, physical education, clubs and extracurricular groups, counseling and social services help students navigate the challenges of learning and growing during adolescence and into adulthood. At Corning Union High School District, students are safe and feel encouraged to develop, explore, create and learn. The teachers, counselors, administrators, custodians, aides, and staff are highly qualified and active in professional development. Academics sit foremost in importance and classes are taught with rigor and presented equitably. Our students develop in a safe environment and graduate respectful, responsible, and ready to take advantage of post-secondary education or start careers.

Reflections: Successes

A description of successes and/or progress based on a review of the California School Dashboard (Dashboard) and local data.

The 2021-22 school year marked a time when the students, community, and staff of Corning were focused on moving beyond the Covid-19 pandemic and its implications. For CUHSD, this meant all efforts, energy, and resources were devoted to serving our students and their families on campus, implementing programs and systems to support and remediate students academically impacted by school closures, and address the legitimate mental health issues facing our students as a result of state policy mandating their long term isolation. To this end, CUHSD has offered robust mainstream academics, widespread extra and co-curricular activities, tiered mental health supports with licensed therapists available on campus, creative and responsive modifications and accommodations for students with disabilities, and a robust outreach and support systems for English Learners.

Overcoming barriers related to state and federal Covid-19 policy continues to consume large amounts of staff time, and the "return to normalcy" in 2021-22 can be credited to an incredible amount of effort and resilience from our staff, which resulted in better outcomes for our students academically, socially, and emotionally.

Regarding specific data points of success related to the California School Dashboard, the lack of data available from the state makes it difficult to pinpoint successes in the traditional way they would be identified for this document. The District has purchased and will implement a new data management system that will allow us to more accurately track student progress with common local assessments rather than relying on state tests that have come at inconsistent intervals for several years.

These and other supports offered for our students, along with our commitment to offering educational options that make sense for families reflect the biggest successes for our District this year.

Reflections: Identified Need

A description of any areas that need significant improvement based on a review of Dashboard and local data, including any areas of low performance and significant performance gaps among student groups on Dashboard indicators, and any steps taken to address those areas.

As stated above, the lack of timely data from the state makes it difficult if not impossible to complete this portion of the LCAP in the traditional manner. With that said, the District, through anecdotal observation and evaluation of local data such as GPA, number of F's, and reading/math assessments, has identified the following needs moving forward.

The District must continue to expand its offerings for credit and skill remediation. Due to the pandemic, many students have fallen behind. While offering in person instruction in 2020-21 reduced the number of students that would have potentially needed credit recovery, we still

have a larger number of students who have fallen behind compared to other years. Generally speaking, all students need increased access to summer and after school programs for credit recovery. Additionally, EL students need to continue to be assessed in order to identify their level and area of learning loss. Students with disabilities will also need to be individually monitored and evaluated to see if adjustments need to be made to IEP's to support new behavioral or academic challenges.

The District also needs to use local assessment data for incoming 9th graders to establish appropriate supports, specifically in Math and English. Early in the fall semester of 2022, all 9th grade students grades and achievement data needs to be reviewed and utilized to adjust supports as appropriate.

LCAP Highlights

A brief overview of the LCAP, including any key features that should be emphasized.

The highlights of the CUHSD LCAP primarily revolve around creating a school environment in which students are most likely to become ready for the college and career options they pursue after high school. Specifically, there are several items that are a focus of the staff and Board. The District continues to believe that quality instruction in every classroom is the best way to help prepare students of all skill levels. The District has maintained a focus on this for several years, and continues to invest heavily in this area through professional development, administrative observations, and teachers coaching teachers. The District has also recently invested in AVID, which allows for quality professional development for instructional, administrative, and support staff.

When students are not successful in their coursework, a variety of academic, social-emotional, and behavioral interventions are in place to help support them. This includes, among other things, math support, reading intervention, and study skills classes. These supports are part of a student's class schedule, but there are also other supports that exist outside of normal classes such as daily Academic Support Time (AST), and the STARS after school program. Additionally, the District has expanded its summer and after school credit recovery and remediation offerings for students to address learning gaps created by the pandemic.

The District continues to invest heavily in its Career Technical Education (CTE) programs. Facilities and equipment have been upgraded and staff is continuing to look for ways to expand its offerings that articulate with community colleges and apprenticeship programs. The District has also invested in increased access to technology in both academic and CTE courses.

The English Learner (EL) program in the District has recently gone through a major transition. Staff systemically evaluated what is currently being done, identified gaps, and found resources to fill gaps in the program for the various needs of EL students. This involved changes to the master schedule, staffing, and curriculum, along with a concerted effort to bring core department teachers into regular collaboration that revolves around best practices for EL students in the mainstream classroom. The District is continuing its work with a consultant and EL specialist to improve student outcomes by improving instructional strategies of all teachers and streamlining our support services for EL's, and has also allocated a full time EL Counselor and full time EL Coordinator.

Student safety continues to be a focus. The District has entered in to an agreement with the City of Corning to fund a School Resource Officer, with the cost being split evenly between the two. Students also have access to Marriage Family Therapists (MFT) on both District sites that help students address a variety of social emotional issues.

Comprehensive Support and Improvement

An LEA with a school or schools eligible for comprehensive support and improvement must respond to the following prompts.

Schools Identified

A list of the schools in the LEA that are eligible for comprehensive support and improvement.

N/A

Support for Identified Schools

A description of how the LEA has or will support its eligible schools in developing comprehensive support and improvement plans.

N/A

Monitoring and Evaluating Effectiveness

A description of how the LEA will monitor and evaluate the plan to support student and school improvement.

N/A

Engaging Educational Partners

A summary of the process used to engage educational partners and how this engagement was considered before finalizing the LCAP.

Throughout the 2021-22 school year, all District stakeholders, including certificated staff, classified staff, administration, the Board, parents, and community members, were brought together to discuss issues facing the District. This occurred via staff meetings, Board meetings, parent engagement nights such as Back to School Night, specific meetings with parents, at extra curricular activities, through social media engagement, and through Google surveys sent out.

Specific topics discussed included school operations, curriculum, instruction, assessment, college career readiness, multi-tiered Systems of Support and Interventions. Specific discussions on these topics took place at the following meetings:

Board Meeting: February 10, 2022

DELAC Meeting: March 22, 2022

School Site Council Meeting: April 28, 2022

A summary of the feedback provided by specific educational partners.

Overall, parents identified concerns consistent with those that would be anticipated in light of the past two years. Parents report that, generally speaking, students are less motivated, lack initiative, and have been negatively impacted academically, socially, and emotionally by the pandemic. Teachers and other staff echoed these sentiments, and much of the feedback provided throughout the year was that the District needed to find new ways to support students academically, socially, and emotionally. Additionally, parents regularly communicated gratitude for the full time classes and extra curricular opportunities their students had this year after so much change under pandemic guidelines. They continue to want the District to support and promote school activities for their children.

With regard to suspensions and other school climate data, parents and other stakeholders were pleased with the reduction the District has seen in its discipline numbers over the past several years. Parents reported that the academic supports provided by the District in conjunction with the social-emotional resources available were very helpful in improving student achievement in spite of the pandemic.

A description of the aspects of the LCAP that were influenced by specific input from educational partners.

The concerns from parents and teachers about students' lack of motivation and initiative prompted the staff to increase its emphasis on student support programs that will help our students be more socially and emotionally healthy. This is primarily reflected in our funding of support programs (staff and materials) for our English Learner students, students with disabilities, and socioeconomically disadvantaged students.

Goals and Actions

Goal

Goal #	Description
1	Increase the number of students who are prepared for all post secondary opportunities they choose to pursue.

An explanation of why the LEA has developed this goal.

This goal is in alignment with the District Mission and Vision and encapsulates well our overall desire for students to be able to pursue a variety of postsecondary options when they are finished in the District.

Measuring and Reporting Results

Metric	Baseline	Year 1 Outcome	Year 2 Outcome	Year 3 Outcome	Desired Outcome for 2023-24
Percentage of teachers misassigned	2019-20: 0%				0%
Percentage of students graduating having completed the A-G sequence by of courses	2019-20: 18.18%				22.18%
Percentage of students passing the Advanced Placement tests with a 3 or better	2019-20: 38%				46%
Percentage of students who have met or exceeded the standard on the CAASPP English Test (11th grade)	2018-19: 41.41%				48%
Percentage of students who have	2019-19: 11.61%				18%

Metric	Baseline	Year 1 Outcome	Year 2 Outcome	Year 3 Outcome	Desired Outcome for 2023–24
met or exceed the standard on the CAASPP Math Test (11th grade)					
CTE course completion rate (average per student)	2019-20: 6.4				8.4
Graduation Rate (4 year cohort)	2019-20: 90.1%				92.1%
Average Student GPA	2019-20: 2.76				2.95
English Learner Reclassification Rate	2020-21: 10.2%				12.2%
Percentage of courses with sufficient materials to implement common core state standards	2020-21: 100%				100%

Actions

Action #	Title	Description	Total Funds	Contributing
1.1	Instructional Staff and Professional Development	The District attracted and retained highly qualified teachers, and provide quality professional development, such as working with the UCLA Curtis Center for Math Professional Development.	\$3,187,172.00	Yes
1.2	Support Staff	Provide academic support by providing: <ul style="list-style-type: none"> a. School counselors at Corning High and Centennial High b. Paraeducators for English Learner and Special needs students c. Library technician and Career Center technician d. school psychologist 	\$514,342.00	Yes

Action #	Title	Description	Total Funds	Contributing
1.3	Instructional Materials	Provide instructional materials for: a. A-G approved courses b. Career Technical Education courses c. State Standards aligned courses d. Academic interventions (iLab, Skills Center)	\$176,990.00	Yes
1.4	Assessments	Provide College/Career Assessments: a. ACT assessments b. Career assessments c. AP Tests d. SAT	\$12,550.00	Yes
1.5	CTE Equipment, Supplies, and Technology	Provided Career Technical Education Equipment and Technology, including items necessary for pathway expansion.	\$300,123.00	No
1.6	English Learner Instructional Staff	Provided highly qualified staff to instruct and support EL students, primarily in mainstream settings.	\$338,116.00	Yes
1.7	English Learner Instructional Materials	Provide Books and Supplemental Materials for the ELD support classes	\$10,099.00	Yes

Action #	Title	Description	Total Funds	Contributing
1.8	English Learner Professional Development	Provide training and support for the ELD Staff	\$6,350.00	Yes
1.9	English Learner Support Staff	Provided an English Learner Counselor and other support services to help increase the number of students earning the state seal in bi-literacy.	\$93,120.00	Yes
1.10	Credit Recovery and Remediation	Provide Educational Options for credit recovery through: a. High School Subjects Lab b. Summer School c. Continuation High School d. Independent Study Program	\$554,688.00	Yes
1.11	Implementing and Monitoring State Standards	Monitor, Evaluate and Assess the progress towards implementation of the standards through: a. Walk-through and formal evaluation b. Providing an testing coordinator c. Developing local assessments aligned to the new standards d. Reading assessments through Renaissance e. Newsela curriculum and assessments	\$76,938.00	Yes
1.12	Technology Equipment, Supplies, and Services	Provide the Technology to monitor the implementation of the standards and to monitor the student's progress toward mastering the standards via: a. Progress Advisor program b. Aeries Analytics program c. Sufficient hardware to support the software d. Technical support for the hardware and software e. Professional development in the use of the technology f. Purchase of additional Chromebook mobile labs	\$391,142.00	Yes

Goal Analysis [2021-22]

An analysis of how this goal was carried out in the previous year.

A description of any substantive differences in planned actions and actual implementation of these actions.

An explanation of material differences between Budgeted Expenditures and Estimated Actual Expenditures and/or Planned Percentages of Improved Services and Estimated Actual Percentages of Improved Services.

An explanation of how effective the specific actions were in making progress toward the goal.

A description of any changes made to the planned goal, metrics, desired outcomes, or actions for the coming year that resulted from reflections on prior practice.

A report of the Total Estimated Actual Expenditures for last year's actions may be found in the Annual Update Table. A report of the Estimated Actual Percentages of Improved Services for last year's actions may be found in the Contributing Actions Annual Update Table.

Goals and Actions

Goal

Goal #	Description
2	Create a safe and well-maintained learning environment that promotes respect and responsibility among students.

An explanation of why the LEA has developed this goal.

This goal has been developed in order to assure that our students have a safe and orderly school environment in which to learn. The California School Dashboard primarily measures this through school suspension data, and this has been a focus of our District for several years.

Measuring and Reporting Results

Metric	Baseline	Year 1 Outcome	Year 2 Outcome	Year 3 Outcome	Desired Outcome for 2023-24
Averaged daily student attendance percentage	2019-20: 93.37				96%
Percentage of students that are chronically absent	2018-19: 11.8				
Total suspensions	2019-20: 56				50
Annual Facilities Inspection Tool report	2020-21: Good				Good
Expulsion rate	2019-20: 0				0

Actions

Action #	Title	Description	Total Funds	Contributing
2.1	Opportunities for parental involvement	Provide Opportunities for Parental Involvement via: a. District English Learner Advisory Committee b. Native Language support	\$29,522.00	Yes

Action #	Title	Description	Total Funds	Contributing
		c. School Messenger d. Translation of materials sent home into native language		
2.2	Varied course offerings	Provide a variety of Course Offerings: a. College/Career Readiness b. Health c. Technology d. Reading Intervention e. Mathematics support	\$363,937.00	Yes
2.3	Monitor and intervene in student attendance	Provide Attendance monitoring and intervention through: a. Attendance support personnel b. Student Information System c. Technology support d. Administrative support	\$161,659.00	Yes
2.4	Academic and behavioral support programs and services	Provide Programs and Services to monitor and support students: a. Behavior Intervention Program b. Administrative Support c. Counseling Support d. Para Educator Support e. Positive Behavior Intervention System f. ilab alternative setting on main campus	\$267,162.00	Yes
2.5	Student transportation	Provide Transportation (Home to School) a. General bus transportation: The District continues to provide home-to-school transportation for all students. This cost is above and beyond the State calculated MOE. In	\$374,027.00	Yes

Action #	Title	Description	Total Funds	Contributing
		our rural low-socioeconomic area transportation services are key to the instructional program as our students would not attend school if we did not provide these services. a. General bus transportation b. Specialized transportation for students with disabilities		
2.6	Student food services	Provide Food Services for breakfast and lunch	\$198,893.00	No
2.7	Attendance goals for students w/ disabilities	Incorporate Attendance Goals as part of the Individualized Education Program Process	\$236,063.00	No
2.8	Outside agency support	Contract Outside Agency Support: a. School Attendance Review Board b. School Resource Officer	\$74,900.00	Yes
2.9	Academic support staff and programs	Provide Program Services and Support a. Saturday School b. Training of Staff members c. Academic Skills Support Center d. Special Education Counselor	\$115,253.00	Yes
2.10	Maintenance of facilities	Provide the Materials and Supplies needed to keep the facilities in good repair.	\$175,244.00	No

Action #	Title	Description	Total Funds	Contributing
2.11	Utilities	Provide the Utilities necessary to keep the District facilities in good repair.	\$237,900.00	No
2.12	Master facilities planning	Developed a long term plan to upgrade the District facilities, these funds were expended on carrying out the district plan for facility upgrades.	\$138,600.00	No

Required Descriptions

For each action being provided to an entire school, or across the entire school district or county office of education (COE), an explanation of (1) how the needs of foster youth, English learners, and low-income students were considered first, and (2) how these actions are effective in meeting the goals for these students.

Goal 1 Action 1 - Instruction Staff and Professional Development - To maintain appropriate staffing ratios for each grade level. These services are principally directed and are an effective use of funds, targeting our low-income and all students in meeting goals in the state priority areas, 1 and 6 through the support of basic Instruction and teacher staffing. To provide staff and parents professional learning opportunities that promote efficient parent/student and parent/educator strategies to aid in the improvement of their student's academic success. These services are primarily directed and effective when targeting our low-income and all students in meeting goals in the state priority areas, 2, 4, 7, and 8 through the training involving core curriculum, assessments, and student records information.

Goal 1 Action 2 - Academic Support Staff - To provide students with appropriate and relevant intervention supports an appropriate curriculum that meets the needs of students as they progress towards mastery of academic achievement. These services are principally directed and are an effective use of funds, targeting our low-income and all students in meeting goals in the state priority areas, 2, 4, 7, and 8 through the hiring, retaining, and training of "Highly Qualified" teachers and use and purchase of tools, software, and resources to enhance student language and literacy.

Goal 1 Action 3 - Instructional Materials - To provide necessary and relevant instructional materials and supplies to help teachers incorporate responsive teaching and strategies that related to the Common Core State Standards. These services are targeting all students including low-income students in meeting the goals in the state priority areas, 2, 4, 7, and 8 through the purchase of classroom supplies.

Goal 1 Action 4 - Student Assessments - To provide students the opportunity to take college and career readiness assessments that will allow them to pursue post-secondary opportunities. These services are principally directed and are an effective use of funds, targeting our low-income and all students in meeting goals in the state priority areas, 2, 4, 7, and 8 through regular, routine, scheduled teacher collaboration time, including monitoring and support.

Goal 1 Action 5 - CTE Equipment, Supplies, and Technology - To provide the necessary materials for all students to take high quality CTE courses that will prepare them for career or training programs after high school. These services are principally directed and are an effective use of funds, targeting our low-income and all students in meeting goals in the state priority areas, 2, 4, 7, and 8 through the continuation of successful evidence-based programs, maintaining college and career preparation programs for students, participation of college and career events to include workshops, guest speakers, and high quality CTE programs., and to provide opportunities for age-appropriate work experience opportunities.

Goal 1 Action 6 - English Learner Instruction Staff - To provide the necessary staff for English Learners to receive high quality instruction and support in language development and mainstream courses. These services are principally directed and are an effective use of funds, targeting our English Learner and all students in meeting goals in the state priority areas, 2, 4, 7, and 8 through the provision of these supports.

Goal 1 Action 7 - English Learner Instructional Materials - To provide the necessary instructional materials for English Learners to receive high quality instruction and support in language development and mainstream courses. These services are principally directed and are an effective use of funds, targeting our English Learner and all students in meeting goals in the state priority areas, 2, 4, 7, and 8 through the provision of these supports.

Goal 1 Action 8 - English Learner Professional Development - To provide educators and district staff with training that promotes a cohesive understanding and supportive systems in understanding and conducting day-to-day practice to achieve academic and instructional success. These services are principally directed and are an effective use of funds, targeting our low-income and all students in meeting goals in the state priority areas, 2, 4, 7, and 8 through the implementation of quality instructional strategies.

Goal 1 Action 9 - English Learner Support Staff - To provide students with appropriate and relevant intervention supports an appropriate staff that meets the needs of students as they progress towards mastery of academic achievement. These services are principally directed and are an effective use of funds, targeting our low-income, English Learners and all students in meeting goals in the state priority areas, 2, 4, 7, and 8 through the hiring, retaining, and training of "Highly Qualified" teachers and use and purchase of tools, software, and resources to enhance student language and literacy.

Goal 1 Action 10 - Credit Recovery and Remediation - To provide educational, recreational, and social activities for students that align with and extend beyond the mandatory instructional/academic day. These services are principally directed and are an effective use of funds, targeting our low-income and all students in meeting the district's goals in the state priority areas, 2, 4, 7, and 8 through the purchase credit recovery software licenses (including staffing), staffing for homework assistance and tutoring; field trips supporting college and career activities, providing staffing and equipment for exercise opportunities and intramural sports programs; ensuring student interest enrichment activities are available, and by fulfilling base needs at non After School Program Grant Supported school sites.

Goal 1 Action 11 - Implementing and monitoring state standards - To continue in the implementation and monitoring of state standards in all coursework. These services are principally directed and are an effective use of funds, targeting our low-income and all students in meeting the district's goals in the state priority areas, 2, 4, 7, and 8 through the purchase of new materials, professional learning for staff, and collaboration time.

Goal 1 Action 12 - Technology Equipment, Supplies, and Services - To enhance student access to information technologies that promote increased learning and academic achievement. These services are principally directed and are an effective use of funds, targeting our low-income and all students in meeting goals in the state priority areas, 2, 4, 7, and 8 through the annual purchase and replacement of Chromebooks / technology devices and secure storage carts for students and staff.

Goal 2 Action 1 - Parental Involvement - To develop and foster relationships with parents that lead to active and meaningful engagement supporting student academic success. These services are principally directed and are an effective use of funds, targeting our low-income and all students in meeting the goals in the state priority areas, 3 and 5 through the facilitation of Parent involvement activities.

Goal 2 Action 2 - Course Offerings - To provide necessary and relevant instructional materials and supplies, along with staffing, to use responsive teaching and strategies that related to not only core offerings, but also other CCR classes such as health, technology, and intervention. These services are principally

- 7. Total Estimated Actual Expenditures for Contributing Actions
 - This amount is the total of the Estimated Actual Expenditures for Contributing Actions (LCFF Funds)
- Difference Between Planned and Estimated Actual Expenditures for Contributing Actions (Subtract 7 from 4)
 - This amount is the Total Estimated Actual Expenditures for Contributing Actions (7) subtracted from the Total Planned Contributing Expenditures (4)
- 5. Total Planned Percentage of Improved Services (%)
 - This amount is the total of the Planned Percentage of Improved Services column
- 8. Total Estimated Actual Percentage of Improved Services (%)
 - This amount is the total of the Estimated Actual Percentage of Improved Services column
- Difference Between Planned and Estimated Actual Percentage of Improved Services (Subtract 5 from 8)
 - This amount is the Total Planned Percentage of Improved Services (5) subtracted from the Total Estimated Actual Percentage of Improved Services (8)

LCFF Carryover Table

- 10. Total Percentage to Increase or Improve Services for the Current School Year (6 divided by 9 + Carryover %)
 - This percentage is the Estimated Actual LCFF Supplemental and/or Concentration Grants (6) divided by the Estimated Actual LCFF Base Grant (9) plus the LCFF Carryover – Percentage from the prior year.
- 11. Estimated Actual Percentage of Increased or Improved Services (7 divided by 9, plus 8)
 - This percentage is the Total Estimated Actual Expenditures for Contributing Actions (7) divided by the LCFF Funding (9), then converting the quotient to a percentage and adding the Total Estimated Actual Percentage of Improved Services (8).
- 12. LCFF Carryover — Dollar Amount LCFF Carryover (Subtract 11 from 10 and multiply by 9)

- If the Estimated Actual Percentage of Increased or Improved Services (11) is less than the Estimated Actual Percentage to Increase or Improve Services (10), the LEA is required to carry over LCFF funds.

The amount of LCFF funds is calculated by subtracting the Estimated Actual Percentage to Increase or Improve Services (11) from the Estimated Actual Percentage of Increased or Improved Services (10) and then multiplying by the Estimated Actual LCFF Base Grant (9). This amount is the amount of LCFF funds that is required to be carried over to the coming year.

- 13. LCFF Carryover — Percentage (12 divided by 9)
 - This percentage is the unmet portion of the Percentage to Increase or Improve Services that the LEA must carry over into the coming LCAP year. The percentage is calculated by dividing the LCFF Carryover (12) by the LCFF Funding (9).

California Department of Education
January 2022

Local Performance Indicator Self-Reflection

Local Educational Agency (LEA)	Contact Name and Title	Email and Phone
Corning Union High School Dist	Jared Caylor Superintendent	jcaylor@corninghs.org 530-824-8000

Introduction

The State Board of Education (SBE) approved standards for the local indicators that support a local educational agency (LEA) in measuring and reporting progress within the appropriate priority area. The approved performance standards require an LEA to:

- Annually measure its progress in meeting the requirements of the specific Local Control Funding Formula (LCFF) priority.
- Report the results as part of a non-consent item at a regularly scheduled public meeting of the local governing board/body in conjunction with the adoption of the Local Control and Accountability Plan (LCAP).
- Report results to the public through the Dashboard utilizing the SBE-adopted self-reflection tools for each local indicator.

This Quick Guide identifies the approved standards and self-reflection tools that an LEA will use to report its progress on the local indicators.

Performance Standards

The performance standards for the local performance indicators are:

Appropriately Assigned Teachers, Access to Curriculum-Aligned Instructional Materials, and Safe, Clean and Functional School Facilities (LCFF Priority 1)

The LEA annually measures its progress in meeting the Williams settlement requirements at 100% at all of its school sites, as applicable, and promptly addresses any complaints or other deficiencies identified throughout the academic year, as applicable; the LEA then reports the results to its local governing board at a regularly scheduled meeting and to reports to educational partners and the public through the Dashboard.

Implementation of State Academic Standards (LCFF Priority 2)

The LEA annually measures its progress implementing state academic standards; the LEA then reports the results to its local governing board at a regularly scheduled meeting and reports to educational partners and the public through the Dashboard.

Parent and Family Engagement (LCFF Priority 3)

This measure addresses Parent and Family Engagement, including how an LEA builds relationships between school staff and families, builds partnerships for student outcomes and seeks input for decision-making.

LEAs report progress of how they have sought input from parents in decision-making and promoted parent participation in programs to its local governing board or body using the SBE-adopted self-reflection tool for Priority 3 at the same meeting at which the LEA adopts its LCAP, and reports to educational partners and the public through the Dashboard.

School Climate (LCFF Priority 6)

The LEA administers a local climate survey at least every other year that provides a valid measure of perceptions of school safety and connectedness, such as the California Healthy Kids Survey, to students in at least one grade within the grade span(s) that the LEA serves (e.g., K-5, 6-8, 9-12), and reports the results to its local governing board at a regularly scheduled meeting of the local governing board and to educational partners and the public through the Dashboard.

Access to a Broad Course of Study (LCFF Priority 7)

The LEA annually measures its progress in the extent to which students have access to, and are enrolled in, a broad course of study that includes the adopted courses of study specified in the California Education Code (EC) for Grades 1-6 and Grades 7-12, as applicable, including the programs and services developed and provided to unduplicated students and individuals with exceptional needs; the LEA then reports the results to its local governing board at a regularly scheduled meeting and reports to educational partners and the public through the Dashboard.

Coordination of Services for Expelled Students – County Office of Education (COE) Only (LCFF Priority 9)

The county office of education (COE) annually measures its progress in coordinating instruction as required by California EC Section 48926; the COE then reports the results to its local governing board at a regularly scheduled meeting and reports to educational partners and the public through the Dashboard.

Coordination of Services for Foster Youth – COE Only (LCFF Priority 10)

The COE annually measures its progress in coordinating services for foster youth; the COE then reports the results to its local governing board at a regularly scheduled meeting and reports to educational partners and the public through the Dashboard.

Self-Reflection Tools

An LEA uses the self-reflection tools included within the Dashboard to report its progress on the local performance indicator to educational partners and the public.

The self-reflection tools are embedded in the web-based Dashboard system and are also available in Word document format. In addition to using the self-reflection tools to report its progress on the local performance indicators to educational partners and the public, an LEA may use the self-reflection tools as a resource when reporting results to its local governing board. The approved self-reflection tools are provided below.

Appropriately Assigned Teachers, Access to Curriculum-Aligned Instructional Materials, and Safe, Clean and Functional School Facilities (LCFF Priority 1)

LEAs will provide the information below:

- Number/percentage of misassignments of teachers of ELs, total teacher misassignments, and vacant teacher positions
- Number/percentage of students without access to their own copies of standards-aligned instructional materials for use at school and at home
- Number of identified instances where facilities do not meet the "good repair" standard (including deficiencies and extreme deficiencies)

Teachers	Number	Percent
Misassignments of Teachers of English Learners	0	0
Total Teacher Misassignments	5	8
Vacant Teacher Positions	1	.4

Access to Instructional Materials	Number	Percent
Students Without Access to Own Copies of Standards-Aligned Instructional Materials for Use at School and at Home	0	0

Facility Conditions	Number
Identified Instances Where Facilities Do Not Meet The "Good Repair" Standard (Including Deficiencies and Extreme Deficiencies)	0

Implementation of State Academic Standards (LCFF Priority 2)

LEAs may provide a narrative summary of their progress in the implementation of state academic standards based on locally selected measures or tools (Option 1). Alternatively, LEAs may complete the optional reflection tool (Option 2).

OPTION 1: Narrative Summary (Limited to 3,000 characters)

In the narrative box provided on the Dashboard, identify the locally selected measures or tools that the LEA is using to track its progress in implementing the state academic standards adopted by the state board and briefly describe why the LEA chose the selected measures or tools.

Additionally, summarize the LEA's progress in implementing the academic standards adopted by the SBE, based on the locally selected measures or tools. The adopted academic standards are:

- English Language Arts (ELA) - Common Core State Standards for ELA
- English Language Development (ELD) (Aligned to Common Core State Standards for ELA)
- Mathematics - Common Core State Standards for Mathematics
- Next Generation Science Standards
- History-Social Science
- Career Technical Education
- Health Education Content Standards
- Physical Education Model Content Standards
- Visual and Performing Arts
- World Language

OPTION 2: Reflection Tool

Recently Adopted Academic Standards and/or Curriculum Frameworks

1. Rate the LEA's progress in providing professional learning for teaching to the recently adopted academic standards and/or curriculum frameworks identified below.

Rating Scale (lowest to highest) -

- 1 - Exploration and Research Phase
- 2 - Beginning Development
- 3 - Initial Implementation
- 4 - Full Implementation
- 5 - Full Implementation and Sustainability

Academic Standards	1	2	3	4	5
ELA – Common Core State Standards for ELA				4	
ELD (Aligned to ELA Standards)			3		
Mathematics – Common Core State Standards for Mathematics				4	
Next Generation Science Standards				4	
History-Social Science				4	

2. Rate the LEA's progress in making instructional materials that are aligned to the recently adopted academic standards and/or curriculum frameworks identified below available in all classrooms where the subject is taught.

Rating Scale (lowest to highest) -

- 1 - Exploration and Research Phase
- 2 - Beginning Development
- 3 - Initial Implementation
- 4 - Full Implementation
- 5 - Full Implementation and Sustainability

Academic Standards	1	2	3	4	5
ELA – Common Core State Standards for ELA					5

Academic Standards	1	2	3	4	5
ELD (Aligned to ELA Standards)					5
Mathematics – Common Core State Standards for Mathematics					5
Next Generation Science Standards					5
History-Social Science					5

3. Rate the LEA's progress in implementing policies or programs to support staff in identifying areas where they can improve in delivering instruction aligned to the recently adopted academic standards and/or curriculum frameworks identified below (e.g., collaborative time, focused classroom walkthroughs, teacher pairing).

Rating Scale (lowest to highest) -

- 1 - Exploration and Research Phase
- 2 - Beginning Development
- 3 - Initial Implementation
- 4 - Full Implementation
- 5 - Full Implementation and Sustainability

Academic Standards	1	2	3	4	5
ELA – Common Core State Standards for ELA				4	
ELD (Aligned to ELA Standards)				4	
Mathematics – Common Core State Standards for Mathematics				4	
Next Generation Science Standards				4	
History-Social Science				4	

Other Adopted Academic Standards

4. Rate the LEA's progress implementing each of the following academic standards adopted by the state board for all students.

Rating Scale (lowest to highest) -

- 1 - Exploration and Research Phase
- 2 - Beginning Development
- 3 - Initial Implementation
- 4 - Full Implementation
- 5 - Full Implementation and Sustainability

Academic Standards	1	2	3	4	5
Career Technical Education				4	
Health Education Content Standards				4	
Physical Education Model Content Standards					5
Visual and Performing Arts				4	
World Language				4	

Support for Teachers and Administrators

5. Rate the LEA's success at engaging in the following activities with teachers and school administrators during the prior school year (including the summer preceding the prior school year).

Rating Scale (lowest to highest) -

- 1 - Exploration and Research Phase
- 2 - Beginning Development
- 3 - Initial Implementation
- 4 - Full Implementation
- 5 - Full Implementation and Sustainability

Academic Standards	1	2	3	4	5
Identifying the professional learning needs of groups of teachers or staff as a whole				4	
Identifying the professional learning needs of individual teachers				4	
Providing support for teachers on the standards they have not yet mastered			3		

Optional Narrative (Limited to 1,500 characters)

6. Provide any additional information in the text box provided in the Dashboard that the LEA believes is relevant to understanding its progress implementing the academic standards adopted by the state board.

The LEA annually measures its progress implementing state academic standards; the LEA then reports the results to its local governing board at a regularly scheduled meeting and reports to stakeholders and the public through the Dashboard.

Parental Involvement and Family Engagement (LCFF Priority 3)

Introduction

Family engagement is an essential strategy for building pathways to college and career readiness for all students and is an essential component of a systems approach to improving outcomes for all students. More than 30 years of research has shown that family engagement can lead to improved student outcomes (e.g., attendance, engagement, academic outcomes, social emotional learning, etc.).

Consistent with the California Department of Education's (CDE's) Family Engagement Toolkit: ¹

- Effective and authentic family engagement has been described as an intentional partnership of educators, families and community members who share responsibility for a child from the time they are born to becoming an adult.
- To build an effective partnership, educators, families, and community members need to develop the knowledge and skills to work together, and schools must purposefully integrate family and community engagement with goals for students' learning and thriving.

The LCFF legislation recognized the importance of family engagement by requiring LEAs to address Priority 3 within their LCAP. The self-reflection tool described below enables LEAs to reflect upon their implementation of family engagement as part of their continuous improvement process and prior to updating their LCAP.

For LEAs to engage all families equitably, it is necessary to understand the cultures, languages, needs and interests of families in the local area. Furthermore, developing family engagement policies, programs, and practices needs to be done in partnership with local families, using the tools of continuous improvement.

Instructions

This self-reflection tool is organized into three sections. Each section includes research and evidence-based practices in family engagement:

1. Building Relationships between School Staff and Families
2. Building Partnerships for Student Outcomes
3. Seeking Input for Decision-Making

Based on an evaluation of data, including educational partner input, an LEA uses this self-reflection tool to report on its progress successes and area(s) of need related to family engagement policies, programs, and practices. This tool will enable an LEA to engage in continuous improvement and determine next steps to make improvements in the areas identified. The results of the process should be used to inform the LCAP and its development process, including assessing prior year goals, actions and services and in modifying future goals, actions, and services in the LCAP.

LEAs are to implement the following self-reflection process:

1. Identify the diverse educational partners that need to participate in the self-reflection process in order to ensure input from all groups of families, staff and students in the LEA, including families of unduplicated students and families of individuals with exceptional needs as well as families of underrepresented students.
2. Engage educational partners in determining what data and information will be considered to complete the self-reflection tool. LEAs should consider how the practices apply to families of all student groups, including families of unduplicated students and families of individuals with exceptional needs as well as families of underrepresented students.
3. Based on the analysis of educational partner input and local data, identify the number which best indicates the LEA's current stage of implementation for each of the 12 practices using the following rating scale (lowest to highest):
 - 1 – Exploration and Research
 - 2 – Beginning Development
 - 3 – Initial Implementation
 - 4 – Full Implementation
 - 5 – Full Implementation and Sustainability
4. Based on the analysis of educational partner input and local data, respond to each of the prompts pertaining to each section of the tool.
5. Use the findings from the self-reflection process to inform the annual update to the LCAP and the LCAP development process, as well as the development of other school and district plans.

Sections of the Self-Reflection Tool

Section 1: Building Relationships Between School Staff and Families

Based on the analysis of educational partner input and local data, identify the number which best indicates the LEA's current stage of implementation for each practice in this section using the following rating scale (lowest to highest):

Rating Scale (lowest to highest) -

- 1 - Exploration and Research Phase
- 2 - Beginning Development
- 3 - Initial Implementation
- 4 - Full Implementation
- 5 - Full Implementation and Sustainability

Building Relationships	1	2	3	4	5
1. Rate the LEA's progress in developing the capacity of staff (i.e., administrators, teachers, and classified staff) to build trusting and respectful relationships with families.				4	
2. Rate the LEA's progress in creating welcoming environments for all families in the community.				4	
3. Rate the LEA's progress in supporting staff to learn about each family's strengths, cultures, languages, and goals for their children.			3		
4. Rate the LEA's progress in developing multiple opportunities for the LEA and school sites to engage in 2-way communication between families and educators using language that is understandable and accessible to families.				4	

Building Relationships Dashboard Narrative Boxes (Limited to 3,000 characters)

- Based on the analysis of educational partner input and local data, briefly describe the LEA's current strengths and progress in Building Relationships Between School Staff and Families.

CUHSD has a long track record of high levels of parent involvement and interaction with the community. During the Covid pandemic, this became more challenging, but the District implemented new tools and strategies to stay connected. These strategies and tools have continued to be useful as the pandemic has waned. Generally speaking, the District still needs to improve in its outreach to our Hispanic families to generate more two way communication.

- Based on the analysis of educational partner input and local data, briefly describe the LEA's focus area(s) for improvement in Building Relationships Between School Staff and Families.

The district continues to need to improve outreach to Hispanic families.

- Based on the analysis of educational partner input and local data, briefly describe how the LEA will improve engagement of underrepresented families identified during the self-reflection process in relation to Building Relationships Between School Staff and Families.

Hiring of more bilingual staff, and building more communication infrastructure and outreach.

Section 2: Building Partnerships for Student Outcomes

Based on the analysis of educational partner input and local data, identify the number which best indicates the LEA's current stage of implementation for each practice in this section using the following rating scale (lowest to highest):

Rating Scale (lowest to highest) -

- 1 - Exploration and Research Phase
- 2 - Beginning Development
- 3 - Initial Implementation
- 4 - Full Implementation
- 5 - Full Implementation and Sustainability

Building Partnerships	1	2	3	4	5
5. Rate the LEA's progress in providing professional learning and support to teachers and principals to improve a school's capacity to partner with families.				4	

Building Partnerships	1	2	3	4	5
6. Rate the LEA's progress in providing families with information and resources to support student learning and development in the home.			3		
7. Rate the LEA's progress in implementing policies or programs for teachers to meet with families and students to discuss student progress and ways to work together to support improved student outcomes.				4	
8. Rate the LEA's progress in supporting families to understand and exercise their legal rights and advocate for their own students and all students.				4	

Building Partnerships Dashboard Narrative Boxes (Limited to 3,000 characters)

1. Based on the analysis of educational partner input and local data, briefly describe the LEA's current strengths and progress in Building Partnerships for Student Outcomes.

The continues to have ongoing partnerships with various local entities and works well with stakeholders.

2. Based on the analysis of educational partner input and local data, briefly describe the LEA's focus area(s) for improvement in Building Partnerships for Student Outcomes.

Mental health services will continue to be needed by students and this will require ongoing partnerships with outside agencies.

3. Based on the analysis of educational partner input and local data, briefly describe how the LEA will improve engagement of underrepresented families identified during the self-reflection process in relation to Building Partnerships for Student Outcomes.

The District and community are focused on securing more bilingual mental health staff.

Section 3: Seeking Input for Decision-Making

Based on the analysis of educational partner input and local data, identify the number which best indicates the LEA's current stage of implementation for each practice in this section using the following rating scale (lowest to highest):

Rating Scale (lowest to highest) -

- 1 - Exploration and Research Phase
- 2 - Beginning Development
- 3 - Initial Implementation
- 4 - Full Implementation
- 5 - Full Implementation and Sustainability

Seeking Input	1	2	3	4	5
9. Rate the LEA's progress in building the capacity of and supporting principals and staff to effectively engage families in advisory groups and with decision-making.				4	
10. Rate the LEA's progress in building the capacity of and supporting family members to effectively engage in advisory groups and decision-making.			3		

Seeking Input	1	2	3	4	5
11. Rate the LEA's progress in providing all families with opportunities to provide input on policies and programs, and implementing strategies to reach and seek input from any underrepresented groups in the school community.			3		
12. Rate the LEA's progress in providing opportunities to have families, teachers, principals, and district administrators work together to plan, design, implement and evaluate family engagement activities at school and district levels.				4	

Seeking Input for Decision-Making Dashboard Narrative Boxes (Limited to 3,000 characters)

1. Based on the analysis of educational partner input and local data, briefly describe the LEA's current strengths and progress in Seeking Input for Decision-Making.

The District has improved a great deal in the use of technology to solicit feedback from families.

2. Based on the analysis of educational partner input and local data, briefly describe the LEA's focus area(s) for improvement in Seeking Input for Decision-Making.

The District currently meets all of its legal obligations for seeking input from parents, and has many informal ways in which parents provide feedback to staff on programs and services. With that said, the District is focused on improving its outreach and solicitation of input from its Spanish speaking families.

3. Based on the analysis of educational partner input and local data, briefly describe how the LEA will improve engagement of underrepresented families identified during the self-reflection process in relation to Seeking Input for Decision-Making.

The District will invest heavily in technology and staff training around new communication tools.

School Climate (LCFF Priority 6)

LEAs will provide a narrative summary of the local administration and analysis of a local climate survey that captures a valid measure of student perceptions of school safety and connectedness in at least one grade within the grade span (e.g., K–5, 6–8, 9–12) in a text box provided in the California School Dashboard (response limited to 3,000 characters). LEAs will have an opportunity to include differences among student groups, and for surveys that provide an overall score, such as the California Healthy Kids Survey, report the overall score for all students and student groups. This summary may also include an analysis of a subset of specific items on a local survey and additional data collection tools that are particularly relevant to school conditions and climate.

1. **DATA:** Reflect on the key learnings from the survey results and share what the LEA learned.
2. **MEANING:** What do the disaggregated results (if applicable) of the survey and other data collection methods reveal about schools in the LEA, such as areas of strength or growth, challenges, and barriers?
3. **USE:** What revisions, decisions, or actions has, or will, the LEA implement in response to the results for continuous improvement purposes? Why? If you have already implemented actions, did you see the results you were seeking?

The District uses the regular review of Data to capture student perceptions of school safety and connectedness. In addition to using the California Healthy Kids Survey for grades 9 and 11, the District partners with a data research company for specific grants who also surveys our parents and students on these issues. This survey addresses issues like: student safety traveling to and from school, student safety at school, bullying, absences due to social

issues, drug use, internet connectivity, and the number of caring adults in the student's life. Overall, students feel very safe going to and from school and while on school grounds. For example, 90% of sophomores reported they "Agreed" or "Strongly Agreed" with the statement "I am safe when traveling to and from school, and only 6% of seniors reported being bullied at school. Other data on school climate and safety reflected similar data on how students feel about their experience at CUHSD. The most action based data from this survey revolves around our students' internet connectivity at home. It is clear this is still a barrier for many of our students, and the District is taking concrete steps to address this.

Access to a Broad Course of Study (LCFF Priority 7)

LEAs provide a narrative summary of the extent to which all students have access to and are enrolled in a broad course of study by addressing, at a minimum, the following four prompts:

1. Briefly identify the locally selected measures or tools that the LEA is using to track the extent to which all students have access to, and are enrolled in, a broad course of study, based on grade spans, unduplicated student groups, and individuals with exceptional needs served. (response limited to 1,500 characters)
2. Using the locally selected measures or tools, summarize the extent to which all students have access to, and are enrolled in, a broad course of study. The summary should identify any differences across school sites and student groups in access to, and enrollment in, a broad course of study, and may describe progress over time in the extent to which all students have access to, and are enrolled in, a broad course of study. (response limited to 1,500 characters)
3. Given the results of the tool or locally selected measures, identify the barriers preventing the LEA from providing access to a broad course of study for all students. (response limited to 1,500 characters)
4. In response to the results of the tool or locally selected measures, what revisions, decisions, or new actions will the LEA implement, or has the LEA implemented, to ensure access to a broad course of study for all students? (response limited to 1,500 characters)

The primary tool used to determine the extent to which all students have access to and are enrolled in a broad course of study is our master schedule and the enrollment data that accompanies it. Additionally, we work with partners in higher education and local industry to assure that our coursework is in line with college career opportunities.

On the comprehensive campus, students have a much broader choice of coursework and programs in which to enroll. The two alternative programs in the District, continuation and independent study, offer fewer options. The District is taking steps to resolve this through investment in the District Ranch for continuation CTE students to access and the addition of a CTE teacher at the continuation school.

The barriers to broadening the course of study for students, especially those in alternative programs, remains that with small Districts and/or sites, resources must be stretched each time a new program is offered.

The District continues to believe that students in an alternative setting need continued access to quality programs. This is reflected in the District investment into staff, materials, and facilities that are specifically intended to help our most at risk students.

Coordination of Services for Expelled Students – COE Only (LCFF Priority 9)

Assess the degree of implementation of the progress in coordinating instruction for expelled students in your county.

Rating Scale (lowest to highest) -

- 1 - Exploration and Research Phase
- 2 - Beginning Development
- 3 - Initial Implementation
- 4 - Full Implementation
- 5 - Full Implementation and Sustainability

Coordinating Instruction	1	2	3	4	5
1. Assessing status of triennial plan for providing educational services to all expelled students in the county, including:	[No response required]	[No response required]	[No response required]	[No response required]	[No response required]
a. Review of required outcome data.					
b. Identifying existing educational alternatives for expelled pupils, gaps in educational services to expelled pupils, and strategies for filling those service gaps.					
c. Identifying alternative placements for pupils who are expelled and placed in district community day school programs, but who fail to meet the terms and conditions of their rehabilitation plan or who pose a danger to other district pupils.					
2. Coordinating on development and implementation of triennial plan with all LEAs within the county.					
3. Establishing ongoing collaboration and policy development for transparent referral process for LEAs within the county to the county office of education or other program options, including dissemination to all LEAs within the county a menu of available continuum of services for expelled students.					
4. Developing memorandum of understanding regarding the coordination of partial credit policies between district of residence and county office of education.					

Coordination of Services for Foster Youth – COE Only (LCFF Priority 10)

Assess the degree of implementation of coordinated service program components for foster youth in your county.

Rating Scale (lowest to highest) -

- 1 - Exploration and Research Phase
- 2 - Beginning Development
- 3 - Initial Implementation
- 4 - Full Implementation
- 5 - Full Implementation and Sustainability

Coordinating Services	1	2	3	4	5
1. Establishing ongoing collaboration and supporting policy development, including establishing formalized information sharing agreements with child welfare, probation, Local Education Agency (LEAs), the courts, and other organizations to support determining the proper educational placement of foster youth (e.g., school of origin versus current residence, comprehensive versus alternative school, and regular versus special education).					
2. Building capacity with LEA, probation, child welfare, and other organizations for purposes of implementing school-based support infrastructure for foster youth intended to improve educational outcomes (e.g., provide regular professional development with the Foster Youth Liaisons to facilitate adequate transportation services for foster youth).					
3. Providing information and assistance to LEAs regarding the educational needs of foster youth in order to improve educational outcomes.					
4. Providing direct educational services for foster youth in LEA or county-operated programs provided the school district has certified that specified services cannot be provided or funded using other sources, including, but not limited to, Local Control Funding Formula, federal, state or local funding.					

Coordinating Services	1	2	3	4	5
5. Establishing ongoing collaboration and supporting development of policies and procedures that facilitate expeditious transfer of records, transcripts, and other relevant educational information.					
6. Facilitating the coordination of post-secondary opportunities for youth by engaging with systems partners, including, but not limited to, child welfare transition planning and independent living services, community colleges or universities, career technical education, and workforce development providers.					
7. Developing strategies to prioritize the needs of foster youth in the community, using community-wide assessments that consider age group, geographical area, and identification of highest needs students based on academic needs and placement type.					
8. Engaging in the process of reviewing plan deliverables and of collecting and analyzing LEA and COE level outcome data for purposes of evaluating effectiveness of support services for foster youth and whether the investment in services contributes to improved educational outcomes for foster youth.					

June 9th, 2022

Jared Caylor, Superintendent
Corning Union High School District
643 Blackburn Avenue
Corning, CA 96021

RE: Facility Solution Project Feasibility and Letter of Agreement (LOA)

Dear Superintendent Caylor,

This Letter of Agreement (LOA) is intended to briefly describe the manner in which SiteLogIQ, and Corning Union High School District will work together during the project development process, as well as the obligations of each party with respect to the development process.

Client Identification: Corning Union High School District

Facility Location(s):

- Corning Union High School 643 Blackburn Ave, Corning, CA 96021
- Centennial High School 200 E Fig Lane, Corning, CA 96021
- The Ranch 23341 Loleta Ave, Corning, CA 96021
- R Farm 3840 Marguerite Ave, Corning, CA 96021

Facility Information:

The following is a brief description of the facility(ies):

- Corning Union High School
- Centennial High School
- The Ranch
- R Farm

Office: 1651 Response Road, Suite 300

Sacramento, CA 95815

www.sitelogiq.com CA License #646794

Area of Focus:

SitelogIQ will provide a proposal and Facility Solution agreement for the implementation of facility improvements, energy conservation, energy generation, and/or energy management services.

Scope of Services:

- A. SitelogIQ will conduct a site visit to the Facility(ies) to perform a physical audit and collect data. The Client will cooperate and collaborate with SitelogIQ during this phase by providing copies of requested data, including (if available): Site and/or system drawings, historical operating data produced or recorded by existing controls or meters, manual logs, and any other data that may be pertinent to this evaluation.
- B. Client will also make operational personnel available at reasonable times for in-person and telephone interviews with SitelogIQ to answer questions about existing facilities conditions, operating profile, and existing equipment operation.
- C. Where operational data is not available to support the analysis, SitelogIQ will utilize standard engineering practices and assumptions to provide a conservative analysis on the potential energy savings from installing the energy conservation measures.
- D. SitelogIQ will also analyze the potential for energy generation measures.
- E. SitelogIQ will recommend energy management and/or on-going monitoring services.
- F. For each of the targeted Energy Conservation Measures (ECMs), estimated (projected) operating costs will be calculated and then compared to existing operating costs. Existing conditions will be evaluated using data-logged or stipulated and mutually agreed operational schedules.
- G. SitelogIQ will prepare a return on investment analysis (consistent with the client's preferred evaluation methods based on agreed upon Economic Criteria noted below).
- H. SitelogIQ will provide budgetary construction costs estimates and a summary Scope of Work for all recommended ECMs. Cost estimates will represent a "turnkey" solution. Refer to Attachment A for the list of discussed potential

ECM's to be evaluated.

- I. The results will be presented to client as a recommended Scope of Work and a financial proforma (such as a Cash Flow) which will include costs and energy savings for the next 25 years with escalation of no more than 5% and including future maintenance & repair costs. As a result, *True Cost of Ownership* is presented to the client for their review and consideration.

Client Responsibilities:

In order for SitelogIQ to provide the services described in this LOA, the Client agrees to provide (or cause its energy suppliers to provide) SitelogIQ with the data requested in Attachment B. In addition, Client shall execute Attachment C ("Utility Authorization Form") to provide access to Client's Utility account information.

Development Efforts:

Client acknowledges that SitelogIQ will incur considerable expense in developing the Project. This expense includes the cost to provide professional services by SitelogIQ's development team, the cost to visit the Site, and the cost to prepare the deliverables.

Ownership of Work:

All work products, including all proforma's, schedules, and scope of work documentation provided by SitelogIQ, will only become the property of the Client upon execution of a binding, irrevocable contract between the Client and SitelogIQ for the implementation of the ECMs proposed by SitelogIQ. Notwithstanding the foregoing, to the extent that any tangible work documentation produced by SitelogIQ contains SitelogIQ's pre-existing materials (including but not limited to templates, forms, and other SitelogIQ -created materials), SitelogIQ will remain the sole and exclusive owner of all such pre-existing materials.

Development Fee:

SitelogIQ will develop the Project for the firm, fixed fee/rate as listed below:

1. Fee/Rate of: \$19,000. Fixed Fee.

In the event that the Client enters into a contract with SitelogIQ for the implementation of the ECMs within 60 days after presenting the Proposal, then SitelogIQ's cost to develop the Proposal will be waived. If the Client enters into a contract with SitelogIQ at a later date, the Development Fee paid by the Client will be credited toward the project's total implementation cost.

If SitelogIQ cannot meet the Economic Criteria Client will not compensate SitelogIQ for its LOA fee.

Economic Criteria:

The Client has represented to SitelogIQ that Client agrees to move forward with the project if the project is shown to reduce the operational expenses at the site over the useful life of the project. The main financial objectives of the project are as follows:

1. Provide a self-funded program, which pays for itself through expense reductions and minimizes the Customer's contribution.
or
2. Provide a self-funded program, which pays for itself through expense reductions and minimizes the Clients' contribution and meets the requirements of California Government Code 4217.10 et seq
or
3. Provide a program with supplemental funding sources such as but not limited to ECAA Loan, CalSHAPE, ESSER III and SGIP grants that has minimal fiscal impact to the General Fund if any.
4. Letter of Agreement dependent on District being approved for 0% interest ECAA (Energy Conservation Assistance Act) loan provided by the California Energy Commission.

This LOA shall be construed and enforced in accordance with the laws of the State of California without regard to principles of conflicts of law.

If you agree with the provisions set forth in this LOA, kindly sign, and date the LOA below and return one fully executed copy to my attention. Thank you again for providing SitelogIQ with the opportunity to work with Corning Union High School District on this important initiative.

Acceptance of Letter of Agreement

This agreement is between Corning Union High School District and SitelogIQ, Inc.

Client:

SitelogIQ

Name: Jared Caylor

Name: John Gajan

Title: Superintendent

Title: President, Energy West

Date:

Date:

Attachment A:
**Potential Facility Improvement, Energy Conservation, Energy Generation,
and Energy Management Measures to be considered focus on improved
critical infrastructure facility upgrades**

1. HVAC Mechanical Equipment
2. HVAC Controls with CO2 Sensors
3. Energy Management
4. CalSHAPE Grant mechanical
5. Interior/Exterior Lighting retrofit to LED

Attachment B:

Utility Authorization Request and 1st Step needs list

- ~~1. Please Access this Utility API Link which will allow SiteLogIQ to access the Districts PG&E data on 15-minute intervals. The account # and password will be needed. Please include all meters for which the District is billed.~~

~~API link <https://utilityapi.com/authorize/sitealogiq?f=3c9adb4b-db8f-4567-8051-133052561a86>~~

- ~~2. Please see attached PG&E third party authorization form to complete and return.~~
3. Complete set of building plans (original & as-builts); at a minimum, overall architectural plan, main mechanical schedule, electrical single-line diagram.
- ~~4. Site Square footage of Occupied Space~~

1,2 & 4 ALREADY COMPLETED BY DISTRICT

Attachement C :
Pre-audit Information Request

#	Must Have	Nice to Have
Utility Information		
1	Electric, Gas, Water, Oil, Other: Utility supplier and contact	all data in excel format; 3 to 5 years. Customer Access through Utility API.
2	Summary of monthly usage and cost (1 year minimum, 3 years preferred)	Utility Rate structures
3	Copies of actual Utility bills for one year	Kilo Watt (kW) and Kilo Volt Amp (kVA) Data: Monthly Peaks & 15-minute interval
4	What are the interconnection or other major electrical codes that we need to be aware of, e.g., for islanding from the utility, for connecting to a substation, etc.	Utility Meters: main & sub-meters- layout drawing, locations, areas they feed
5	What is the power rating of equipment (Volts, Amps, Hz)?	
Facility Information		
1	Age, Total building area (sq. feet.), Conditioned Area, window area, number of rooms, common facilities	Roof type & age, window type & age, any window films, etc.?
2	Operation schedule, monthly occupancy data	
3	Complete set of building plans (original & as-builts); at a minimum, overall architectural plan, main mechanical schedule, electrical single-line diagram;	Please scan & pdf all the building as-built drawings.
4	Any problems regarding guest comfort (humidity, hot/cold areas, mold, etc.)	Equipment Maintenance logs & schedule (indicate recurring problems)
5	Any major renovation projects in the last 3 years? Or plans to renovate	Air balance report, Facility Assessment Plan

Committee on Assignments

2022-2023

The following teachers have been recommended by the Committee on Assignments to serve in subject areas outside of their credential based on California Education Code 44263 and/or 44258.7:

1. Sherry Peterson- English
2. James Johnson- Physics
3. Thomas Mendonsa- Yearbook
4. Ana Thuemler- Leadership

Submitted for Board Approval on June 16, 2022
