12.3 BELL SCHEDULES:

Superintendent, Jared Caylor shared that there has been discussion with staff prior to COVID trying to evaluate the biggest needs. The rotating schedule has been a concern for many years with internships, job placements for the students and community involvement. This year there was a fixed schedule which made it the same schedule each week. Admin wanted to see how things went and would like to see something very similar next year. The schedule will just allow for less time off on Mondays. This time will be split elsewhere which will hopefully help ensure fewer coverages, absences and student absences.

RE: Approval of 2021/2022 2nd Interim Budget Report

We would like to thank you for your timely submission of the 2021/2022 2nd Interim report. Our office has completed its review in compliance with the provisions of Education Code 42131(a) (2). The Code requires the County Superintendent to approve or disapprove Interim Reports after:

Examining the report to determine whether it complies with the standards and criteria established pursuant to Section 33127.

Determining whether the adopted budget will allow the district to meet its financial obligations during the fiscal year and is consistent with a financial plan that will enable the district to satisfy its multi-year financial commitments.

Based on our review, the 2nd Interim Budget Report has been approved.

Additional changes, including attendance, new state programs, and the Governor's proposed 2022/2023 budget will be addressed as more information becomes available. A complete listing of any technical corrections and recommendations has been sent directly to your chief business official.

Multi-Year Projections

As Local Educational Agencies (LEAs) navigate through unprecedented fiscal and educational challenges, maintaining fiscal solvency remains a priority. Each LEA is funded according to their size and student data and demographics, which creates a unique set of financial risk factors based on current reserve levels, enrollment trends, bargaining agreements, degree of revenue volatility, Governor's Budget trailer bill language, and various other statewide factors. It is important that districts continue to assess their individual situations and plan accordingly to maintain fiscal solvency.

Cash Flow

Although the cash deferrals have been eliminated, it remains important to closely monitor cash throughout the year to ensure that the June 30 cash balance will be sufficient.

Deficit Spending

The District is not projecting deficit spending at this time. We commend the District for developing an operational plan that it can support within its budget over the multi-year projection.

Negotiations

The District has settled negotiations. If the agreement should change, Government Code 3547.5 requires the district to publicly disclose costs related to any bargaining agreement prior to approval. This includes additional MOUs that result in an increased cost to the District. Please provide a Disclosure of Collective Bargaining Agreement and multi-year projection to our office 10 working days prior to Board approval.

The attached trend analysis of the 2nd interim budget to prior year actuals is provided for your assistance and will provide you with important comparative data for budgetary consideration. The comparative data will highlight trends in revenue and expenditure growth or decline, deficit spending patterns, and a final accounting for the ending fund balance.

We would like to express our gratitude to you and your staff for your cooperation and assistance during our financial reviews. If our office can be of further assistance, please contact Jennifer Kiff at 530-528-7376.

Sincerely,

RICHARD DUVARNEY

SERVICES DEFINED:

1. **SCHEMATIC DESIGN AND DESIGN DEVELOPMENT:** The ARCHITECT shall review with the CLIENT alternative approaches to design and construction of the Project. Based on the mutually accepted design program and project budget requirements, the ARCHITECT shall prepare, for approval by the CLIENT, Design Documents consisting of drawings and other documents appropriate for the Project.
2. **CONSTRUCTION DOCUMENTS:** Based on the approved Design Documents, the ARCHITECT shall prepare Construction Documents consisting of Drawings and Specifications setting forth, in detail, the requirements for the construction of the Project. The ARCHITECT shall assist the CLIENT in connection with the CLIENT's responsibility for filing documents required for the approval of governmental authorities having jurisdiction over the Project.
3. **BIDDING OR NEGOTIATION PHASE:** The ARCHITECT shall assist the CLIENT in obtaining bids or negotiated proposals in awarding contracts for construction.
4. **CONSTRUCTION PHASE:** The ARCHITECT shall be a representative of the CLIENT during the Construction Phase. Instructions to the Contractor shall be forwarded through the ARCHITECT. The ARCHITECT shall visit the site at intervals appropriate to the stage of construction to become generally familiar with the progress and quality of the Work and to determine in general if the Work is proceeding in accordance with the Contract Documents. However, the ARCHITECT shall not be required to make exhaustive or continuous on-site inspections to check the quality or quantity of the Work. On the basis of such on-site observations, the ARCHITECT shall keep the CLIENT informed of the progress and quality of the Work, and shall endeavor to guard the CLIENT against defects and deficiencies in the Work of the Contractor. The ARCHITECT shall not have control of or be responsible for construction means, methods, techniques, sequences or procedures, or for safety precautions and programs in connection with the Work, for the acts or omissions of the Contractor, Subcontractors or any other persons performing any of the Work, or for the failure of any of them to carry out the Work in accordance with the Contract Documents. The ARCHITECT shall review the Contractor's submittals such as Shop Drawings, Product Data and Samples, but only for general conformance with the design concept of the Work and with the information given in the Contract Documents. Such action shall be taken with reasonable promptness so as to cause no delay.

CONSTRUCTION COST: It is recognized that neither the ARCHITECT nor the CLIENT has control over the cost of labor, materials or equipment, over the Contractor's methods of determining bid prices, or over competitive bidding or market conditions. Accordingly, the ARCHITECT cannot and does not represent that bids or negotiated prices will not vary from any opinions of cost or evaluation prepared by the ARCHITECT.

OWNERSHIP AND USE OF DOCUMENTS: Drawings and Specifications, as instruments of service, are and shall remain the property of the ARCHITECT whether the Project for which they are made is executed or not. The Drawings and Specifications shall not be used by the CLIENT on other projects, for additions to the Project, or for completion of this Project by others except by written agreement and with appropriate compensation to the ARCHITECT.

MISCELLANEOUS PROVISIONS: Notwithstanding any other provisions in this Agreement to the contrary, nothing herein contained shall be construed as:

1. Constituting a guarantee, warranty or assurance, either express or implied, that the Architectural Services will yield or accomplish a perfect outcome for the Project; or
2. Obligating the Consulting Architect to exercise professional skill or judgment greater than that which can reasonably be expected from other architect under like circumstances; or
3. An assumption by the Consulting Architect of the liability of any other party.
4. The Americans with Disabilities Act (ADA) provides that it is a violation of the ADA to design and construct a facility that does not meet the accessibility and usability requirements of the ADA. The Client understands that the requirements of the ADA will be subject to various and possibly contradictory interpretations. The Architect therefore, will use its reasonable professional efforts and judgment to interpret applicable ADA requirements and other federal, state and local laws, rules, codes, ordinances and regulations as they apply to the Project. The Architect, however, cannot and does not warrant or guarantee that the Client's Project will comply with all interpretations of ADA requirements and/or requirements of other federal, state and local laws,

- rules, codes, ordinances and regulations as they apply to the Project.
5. In the event of any litigation or other dispute resolution arising from or related to this agreement or the services provided under this agreement, the prevailing party shall be entitled to recover from the non-prevailing party all reasonable costs incurred, including staff time, court costs, attorneys' fees, and all other related expenses in such litigation.
 6. If any one or more of the terms, provisions, or conditions of this Agreement are declared invalid, unenforceable, or void by a court of competent jurisdiction, none of the remaining terms, provisions, or conditions shall be affected and shall be valid and enforceable."
 7. This Agreement shall be governed by the laws of the State of California, except it will be conclusively presumed that both parties had an equal part in the drafting of this Agreement.

LIMITATION OF LIABILITY: The CLIENT agrees to limit the ARCHITECT's liability to the CLIENT and to all construction contractor and subcontractors on the Project, due to the ARCHITECT's breach of contract, negligent acts, errors, or omissions, such that the total aggregate liability of the ARCHITECT to all those named shall not exceed \$100,000, or the amount of the ARCHITECT's fee, whichever is greater. The CLIENT further agrees to require of the Contractor a similar limitation of liability of the ARCHITECT and of the CLIENT to the Contractor and Subcontractors due to the ARCHITECT's negligent acts, errors or omissions. It is understood and agreed that the ARCHITECT has no constructive use of CLIENT's site; has no control or authority over the means, methods, and sequences of construction; and therefore has no ongoing responsibility whatsoever for construction site safety, a responsibility that has been wholly vested in the general contractor. Notwithstanding the above, ARCHITECT has a duty to preserve and protect public health, safety, and welfare. Accordingly, it is ARCHITECT's professional responsibility to take what ARCHITECT believes are prudent measures should ARCHITECT encounter situations that ARCHITECT believes create a danger to public health, safety, or welfare. OWNER understands this situation and agrees to defend ARCHITECT and hold ARCHITECT harmless from claims arising from ARCHITECT's exercise of professional responsibility in this regard.

If we terminate your access because you violated this Agreement or law, you will not receive a refund.

5.4 Discontinued services. We may also terminate your subscription if we discontinue the Subscription Services. We will do our best to notify you in advance of any suspension or termination; however, there may be some cases where we need to suspend access immediately to comply with law or prevent harm to others. If we terminate your access to the Subscription Services other than for reasons specified above in Section 5.3, we will refund you for any Subscription Services not received.

5.5 No access following termination. Cancellation, termination or failure to renew your subscription will result in suspension of your access to the Subscription Services at the time of cancellation or termination or at the end of your paid term, as applicable.

6. FEES AND PAYMENT

6.1 Fees. The fees for your Subscription Services (together with all applicable taxes, duties and levies or similar assessments) are payable in advance, either annually or in accordance with any different billing frequency stated in the applicable Service Order.

6.2 Renewals. All renewal terms are subject to a five percent (5%) price increase above the pricing that applied to the prior subscription term. Unless we agree otherwise in the applicable Service Order, the renewal of any promotional priced subscriptions will be at our standard price in effect at the time of renewal.

6.3 Non-refundable and non-divisible commitment. Fees are non-refundable and based on Subscription Services purchased, not actual usage. The initial term specified in a Service Order is a non-divisible, continuous commitment, regardless of the invoice schedule, and pricing is based on purchase of the Subscription Services in the specified quantity and configuration for the entire initial term (or applicable renewal term).

6.4 Invoices and purchase orders. Unless we agree otherwise in the applicable Service Order, we will invoice you for your subscription fees at the beginning of each annual term. All invoiced fees are due net 30 days from the invoice date. If you issue us a purchase order for your subscription to the Subscription Services, the purchase order must be for the full amount of the subscription fees shown on your Service Order. You agree that any purchase order is for your internal convenience only, and any purported contractual terms will have no force or effect with respect to this Agreement.

6.5 Taxes. The fees stated in a Service Order do not include local, state, federal, or foreign taxes or other governmental charges resulting from this Agreement or any Service Order. You are responsible for paying all such taxes, excluding taxes on our net income or property.

7. CONTENT AND SECURITY

7.1 Content. As between us, you own and shall retain all right, title and interest in and to all information collected, entered, created or otherwise provided by you, your Exchange Leaders or your Participants in the course of using the Subscription Services ("Content"). We will obtain and process your Content solely to perform our obligations under this Agreement. Content shall constitute your Confidential Information under Section 8 of this Agreement. You are responsible for the accuracy, quality, content, availability, appropriateness, and legality of Content, including how Content is acquired and shared by you, your Exchange Leaders and your Participants outside of the Subscription Services. You are responsible for the proper disclosure to and receipt of all required consents from each individual to transfer any personal information to us and to allow us to use, disclose and otherwise process such information for the purpose of providing the Subscription Services.

7.2 Prohibited Content. You will not, and you will ensure that your Exchange Leaders and Participants do not, upload any Prohibited Content to, or otherwise provide any Prohibited Content for processing by, the Subscription Services. You acknowledge and agree that, notwithstanding anything to the contrary, we will have no liability with respect to Prohibited Content. "Prohibited Content" means an individual's (a) financial account or payment card information; (b) patient, medical or other protected health information; (c) social security, national identity, or similar personal identifiers; (d) "special categories of personal data" as defined under the General Data Protection Regulation, Regulation (EU) 2016/679 (GDPR); (e) any other sensitive personal data as such term (or a similar term) is defined under applicable privacy or data protection laws; and (f) any data that you do not have the legal right to transfer to us.

7.3 Aggregated and Anonymous Data. Notwithstanding Section 7.1, you acknowledge that we may collect aggregated and anonymous data from the Subscription Services to improve our products and services, and to track certain aspects of our services, including without limitation, availability capacity, performance, and response times. We will ensure that none of the information we gather identifies, or could be used to identify you, your Exchange Leaders or your Participants.

7.4 Security. We implement and maintain reasonable administrative, physical, and technical safeguards intended to protect against the unauthorized access, use, disclosure, alteration, or destruction of your Content. However, since the Internet is not a 100% secure environment, we cannot ensure or warrant the security of any information that you transmit to us. There is no guarantee that information may not be accessed, disclosed, altered, or destroyed by breach of any of our physical, technical, or managerial safeguards. To learn more, please visit <https://www.thoughtexchange.com/security-and-privacy/>.

7.5 Data Processing Agreement. If your use of the Subscription Services involves processing personal data pursuant to the GDPR and/or transferring personal data outside the European Economic Area or Switzerland to any country not deemed by the European Commission as providing an adequate level of protection for personal data, the terms of the Data Processing Addendum shall apply to such personal data and be incorporated into this Agreement by reference.

8. CONFIDENTIALITY

8.1 Obligation of Confidence During the performance of this Agreement, each party may receive Confidential Information from the other. Each party will treat Confidential Information as confidential and protect it from disclosure as it would its own information of a similar nature. Neither party will disclose confidential information other than to those of its employees or agents who need to know such information for performance of each party's rights and obligations under this Agreement. Neither party will use Confidential Information for any purpose beyond the performance of its rights and obligations under this Agreement without the prior written consent of the other party. All Confidential Information shall remain the property of the disclosing party, and each party will return or destroy any tangible materials containing such Confidential Information upon request of the other party.

8.2 Identification of Confidential Information. The parties hereby agree that, for purposes of this Agreement, "Confidential Information" shall mean all information marked as confidential or proprietary, or received under circumstances reasonably interpreted as imposing an obligation of confidentiality. It includes, but is not limited to, trade secrets and business matters as research and development, the identity and profiles of customers and suppliers, and sales and marketing plans and information. Confidential Information does not lose its status as Confidential Information merely because it was known by a limited number of persons or entities or because it was not entirely originated by either party.

8.3 Exclusions. The obligations of confidentiality and protection imposed by this paragraph shall not apply, or shall cease to apply, to any information that: (1) was lawfully known by either party prior to its receipt hereunder; (2) is or becomes publicly available without breach of this Agreement; (3) is lawfully received by either party from a third party who does not have an obligation of confidentiality to either party; or (4) is developed independently by employees of either party without reference to or use of Confidential Information.

8.4 Disclosure in Accordance with Law. A party may disclose Confidential Information to the extent required to do so by a governmental agency, by operation of law, or if necessary in any proceeding to establish rights or obligations under this Agreement, provided that such party, to the extent legally permissible, furnishes prior written notice of such disclosure and reasonably cooperates with the other party, in any effort to seek a protective order or other protection of the Confidential Information.

8.5 Agreement Confidential. Except as otherwise required by law, all terms of this Agreement are confidential between us, and, with the exception of our respective advisors and other agents having an obligation of confidentiality, are not to be discussed with anyone outside of our respective organizations.

9. WARRANTY AND LIMITATION OF LIABILITY

9.1 Limited Warranty. Because the technologies underlying Subscription Services such as ThoughtExchange are inherently complex, we cannot warrant that the Subscription Services will be entirely error-free or will operate without interruption. We warrant that the Subscription Services will not infringe the intellectual property rights of any third party and that during your Subscription Period the Subscription Services will be free from significant defects. Our sole responsibilities in the event of an error or defect in the operation of the Subscription Services are:

- a. to use reasonable efforts to correct significant defects without charge; or
- b. to refund a portion of the subscription price, pro-rated from the time such defects are first brought to our attention, and terminate your subscription.

9.2 Advice. All advice provided by us is "as-is" and reflects our best judgment based on the information available to us at the time. You are solely responsible for the consequences of acting on our advice.

9.3 Limitation of Liability; Damages. EXCEPT FOR THE INFRINGEMENT OF A THIRD PARTY'S INTELLECTUAL PROPERTY RIGHTS OR A BREACH OF A PARTY'S CONFIDENTIALITY OBLIGATIONS, IT IS UNDERSTOOD AND AGREED THAT EITHER PARTY'S LIABILITY UNDER ANY PROVISION OF THIS AGREEMENT, WHETHER IN CONTRACT, IN TORT, UNDER ANY WARRANTY, IN NEGLIGENCE OR OTHERWISE SHALL NOT EXCEED THE RETURN OF THE AMOUNT OF THE FEES PAID BY YOU FOR SERVICES PROVIDED OVER THE PRIOR TWELVE (12) MONTH PERIOD. UNDER NO CIRCUMSTANCES SHALL EITHER PARTY BE LIABLE FOR SPECIAL, INDIRECT OR CONSEQUENTIAL DAMAGES, EVEN IF ADVISED OF THE POSSIBILITY OF SUCH POTENTIAL LOSSES OR DAMAGES. THE PRICE STATED FOR THE PRODUCTS IS A CONSIDERATION IN LIMITING OUR LIABILITY.

10. INDEMNIFICATION

10.1 Obligation to Indemnify. You and we each agree to defend, indemnify and hold the other harmless against and in respect of any loss, damages, obligation, penalty, deficiency or liability (including, without limitation, attorneys' fees) imposed upon,

incurred by or asserted against one of us that are finally determined to result from the other's material breach of any provision of this Agreement or its failure to meet its obligations to or perform any acts required under this Agreement, except to the extent such loss is caused by the acts or omissions of, or misrepresentations by, the non-breaching party, its employees or agents or third parties.

10.2 Defense and Settlement. If any demand, claim or suit is asserted or instituted with respect to which any party may be entitled to indemnification under this Agreement, then the party liable for indemnification shall notify the party entitled to indemnification of the full details to the extent then known. The party entitled to indemnification shall be entitled at its own expense to employ counsel to defend such demand, claim or suit or to participate in the defense of such asserted demand, claim or suit. Any proposed settlement of any such demand, claim or suit must be approved by both of us. We agree to cooperate in good faith in the defense or settlement of any such demand, claim or suit.
