## **11. PUBLIC COMMENT:**

President of ESP, Judy Rhoda asked to speak to the Board on the following:

The unit held a meeting on Monday the 18<sup>th</sup> regarding the decision that was reached in negotiations. Judy shared that many members were disappointed and have been told that the district is in deficit spending for many years and were asked to agree to zero dollars. Many have heavier work load and are working two to three jobs simply to make ends meet. This year there have been many grievances filed and there is ineffective leadership. The morale is very low and the unit feels like nobody is listening. They have been asked to trust the Superintendent but there is no money left for the Classified employees. ESP agreed but in 2016 the expectations will be high and they hope to not be disappointed. Judy also shared that items 12.2 and 12.3 are not acceptable as the district is taking positions away and/or not filling them however, trying to create new ones.

Board Member Jim Bingham shared that the public only sees and hears part of the story and although he feels that everyone is underpaid, the State continues to play games and not all should believe what they see and hear on television or in the paper. This is all that he wished to share with the audience and did not wish to discuss.
