To Whom It may concern,

The Corning Union High School District is accepting bids for a roofing project at our Centennial High School site. Here is a summary of the project:

Removal of old roofing material and installation of new roof to high school building.

Enclosed is a Notice to Bidders for this project. Also enclosed is the instructions to bidders, the bid form and proposal form, and the agreement that will be signed with the firm to which the contract is awarded. Copies of these documents are also posted on our website (www.corninghs.org) for your convenience. If you have any questions, please contact me using the contact information below. I look forward to the submission of your proposal.

Sincerely,

John Burch
Superintendent
